## A MESSAGE FROM THE PRINCIPAL

**Liwara Fair**

WOW! What a busy, successful, community building night. A big thank you to all our hard working P&F Fair Committee plus the many other parents who volunteered their time and services to help raise money for our school. This was my first Liwara Fair and I was truly impressed with the number of stalls, happy atmosphere and how quickly everyone worked together to pack down the fair at the end of the night. Thank you to all families for donating items, baking delicious treats and coming along to support our school Fair.

**Refurbishment to Art Room and Staff Room**

Since Term 2 the school has undergone some refurbishments to change the old Staff Room into the new Art room and vice versa. The staff volunteered to move out of the Staff Room so there would be as little interruption to the children's art lessons. The temporary Staff Room has been in our Out of School Hours Care rooms. Last Friday 10th November, the new Staff Room was open to staff. This professional facility allows staff to collaborate and hold meetings with external agencies. The gardens at the entrance to the staffroom will continue to undergo their renovation as Mr Ridout adds grass and plants.

**Annual Community Meeting**

The ACM was held on Monday 13th November. Thank you to all parents and staff who attended. We welcome Clare Combe to the School Board in 2018.

Continued from Principal….

**Pre Primary Nativity**

The Pre Primary Nativity will be held on Friday 24th November 9:00am in the Ahern Centre. All are welcome to come along.

**Wheelchair for Kids**

The Year 6 Social Justice Ministry, Mrs Haynes, Mrs Van Rullen and Mrs Walker visited Wheelchair for Kids to present them with a cheque for money raised throughout the year. Thank you to our generous families for supporting others in need.

Term 4 week 6

Have you seen the class garden beds lately?

We have new wheelie bins for the coffee beans and the manure. Thanks to Mrs Kelsall and the year 6 Environment team for preparing them and for the beautiful artwork to decorate them. Watch this space for some photos in the next newsletter.
Please remember to put only recycling items into the recycling bins. General waste has been creeping into the battery bin and the cans bin near the canteen.

Our worms are enjoying the scraps they receive from the white food scraps buckets. Remember to take the scraps out of the plastic before you put them into the scraps bin. Plastic goes into the small red wheelie bins that have the black tops.

## ROTARY MICROSCOPE PROJECT

It is a great pleasure to be able to give our young students the opportunities that Rotary International gives. Our Rotary club programs and projects to help assist in all avenues of Service Above Self. Youth and Education has a high priority, with all our Rotary clubs around the world. Youth are our country's future. We Rotarians hope it's our youth of today that will keep Rotary alive well into the future.
Hillarys Rotary Club, (who donated the microscopes) is one of 42 Rotary clubs in Rotary District 9455. The club meets weekly at Hillarys Yacht Club Monday evenings 6.30pm for 7pm start (except Public Holidays).
The rotary microscope project.
This was developed 6 years ago, when one of WA's scientist, Lyn Beasley, approached rotary with the concept of trying to set up a primary school microscope project. The aim was for Rotary clubs if possible, to look at funding, to be able to buy and donate a class set of 30 microscopes, to local primary schools. Lyn believes the earlier children are exposed to learning in the science area, the better, they will like science when they get to high school. So that was how the Rotary school microscope project was started. Hillarys Rotary Club have now donated to 20 primary schools. Each year, funds permitting, we try and donate to schools.

However, the sad reality is that 13.3% of Australians are living in poverty. Of these, 731,000 are children who may not get their Christmas wish.
But your support can make a difference.
For more information please visit www.vinnies.org.au

Each family will be asked to donate a variety of items to make this Christmas a wonderful one for families within our local community. Items that you may donate can include non-perishable foods (chocolates, biscuits, canned foods, pasta and fruit juice etc), Christmas napkins/bon bons, small toys, books or other suitable presents or food. Please take to your child's class.

Due by: Week 8, Wednesday 29th November 2017.
