An update from the President...

The year is very quickly coming to an end as we head into the last few weeks of the school year. Its been a **big year** for the P&F with all our events and fundraisers raising over \$51 000 that will go towards the many projects that have happened and that are planned around the school.

Plans are going ahead for the construction of our new **nature playground** on the oval. The playground will be installed over the school holidays by a contractor. Thankyou to those who put their hand up for busy bees. As the contractor is taking care of the installation your help won't be needed until towards the end of the project. Keep an eye out for posts on our Facebook page for more details in the new year.

As this is my last newsletter as **P&F President**, I would like to take this opportunity to thank the school community for their support. My involvement with the P&F has been a very rewarding and fulfilling experience and has given me the opportunity to meet so many wonderful and committed parents. In particular I would like to thank the support of my executive team and the general members of the P&F. I step down from the P&F taking with me cherished memories and a lifetime of friendship. I encourage all members of the school community to join the committee for a period during the child's primary school years. Once these primary school years have past (and they do go fast!) you will walk away with a sense of pride and achievement, having left a small mark on this wonderful community, just like myself.

The first P&F meeting for 2018 is on Monday 5th February at 7.30pm in the Library. New members are always welcome.

We wish you and your families a wonderful and safe Christmas and New year.

God Bless
Tamara Bastow
President
