LIWARA CATHOLIC PRIMARY SCHOOL

ABOUT LIWARA

Our school is a thriving community with specialist area teachers in Music, Physical Education, Languages – Italian, Science and Visual Arts. Liwara is recognised as a place of quality teaching and learning. Innovative and dedicated staff members work closely together to provide the best possible educational opportunities for students, in safe and positive learning environments, where they can flourish.

Our Gifted and Talented Program provides challenging and highly motivating learning opportunities for children with exceptional capacity or creative talent and the staff involved in our Enrichment Program work closely with students to support them in their individual learning needs.

Liwara is a double stream, Catholic, coeducational school catering for students in Pre Kindy through to Year 6. Since 1974, Liwara has provided a Catholic education for its students, offering varied programs, giving them opportunities to grow in their faith and to become confident, lifelong learners, conscious about the responsibilities they have for their world and for each other.

As part of our commitment to our students we are a KidsMatter School and implement student wellbeing programs from Kindergarten through to Year Six as well as the Safe4Kids program which specialises in child protection education. KidsMatter Primary is a mental health and wellbeing

initiative for Australian primary schools. It provides proven methods, resources and support to identify and implement whole school strategies to improve student mental health and wellbeing. As well as all these initiatives listed above we have the additional support of a Social Worker.

In building the learning power of our students we encourage our children to approach learning challenges with a core set of habits, skills and attitudes in a school environment that promotes Christian witness through words and actions. The school enjoys a strong, collaborative relationship with the All Saints Parish working together to offer our students opportunities to engage in rich and meaningful experiences that will enrich their faith journeys. Members of the School Board and Parents and Friends Association work closely with the school to build and strengthen a vibrant community spirit. If you would like to learn more about our beautiful school please visit our website - **www.liwara.wa.edu.au**

I hope you enjoy browsing through our website and gain a sense of the great pride and joy we have in our school.

Andrea Millar
Principal
