

PERFORMING ARTS EXTRAVAGANZA

Mrs Keegan and some of our Liwara students have been singing on the bus and taking their talents on the road. Here are some events that we have been a big part of these last few weeks...

This morning, the entire Year 6 cohort jumped on a bus looking very suspicious in their pirate and outlaw attire. They were off to the Wellington Room at Morley Rec Centre to perform two of the scenes for their upcoming musical "A Drop of Rain". They were fantastic to watch and can't wait to do it again for all of you Friday Week 9 for their final afternoon performance! Well done cast and crew!

On Friday 30th August, the Senior choir were part of One Big Voice which is the biggest mass choir event in Australia! We joined in with 4000 other children from different schools singing at the Perth Arena. We had soloists Sofia Rippingdale and Tessa McDonald grace the stage and sing to a full amphitheatre! Wow! Sofia was also on stage in an excerpt from '42nd Street' and just blew us away with her performance. She even met Jordan from The Voice. Taylor Beresford-Peirse and Aidan Murray introduced the songs as comperes on the big stage as well. We all got home very late but it was worth it!

On Monday 26th August, Mrs Keegan took the Junior Choir to the Vasto Club to perform as part of the Performing Arts Festival. The Junior Choir sang 'Can you Hear the Children Marching' and 'Old Man Platypus' with accompaniment from Mr John Fernandez. Parents who were able to come and see them were blown away with how well our Junior Choir could sing!

What a whirlwind of performance!

Liwara was well represented by all students involved and Mrs Keegan was very proud to be able to share their gifts with everyone.
