Prayer for the Assumption of the Blessed Virgin Mary

Almighty and everlasting God,
You have taken up body and soul into the heavenly glory
the Immaculate Virgin Mary, Mother of Your Son:
Grant, we beseech You, that, ever intent upon heavenly things,
we may be worthy to be partakers of her glory.
Through Jesus Christ Your Son, our Lord,
who lives and reigns with You and the Holy Spirit,
One God, forever and ever. Amen.

A MESSAGE FROM THE PRINCIPAL

Dear Families

BOOK WEEK PARADE

What an exciting and innovative Book Week Parade we were all engaged in this week! Congratulations to all our creative parents and children and to Mrs Margetic who coordinated a fun filled re-telling of the book "Pirates Love Underpants" carefully choreographed and performed by the skilful Liwara Staff! Thank you to our talented rock band and Miss Bryce who once again kept the parade moving with their great renditions of popular songs.

FEAST OF THE ASSUMPTION On Wednesday 15 August we joined the All Saints Parish Community to celebrate the feast of the Assumption of the Blessed Virgin Mary. The Assumption is celebrated because Mary was taken up into the glory of heaven not only with her soul but also with her body. So each year when we celebrate this feast day of Mary, we can ask our Blessed Mother Mary to guide, protect and care for us.

PERFORMING ARTS FESTIVAL

The Performing Arts Festival for Catholic Schools & Colleges in Western Australia was established to help the students of Catholic schools and colleges experience the spirit and tradition of the performing arts.

The Festival seeks to provide students with specific 'performance platforms' where they have the unique opportunity to give of their very best and perform to a public audience. Open to both primary and secondary school students, the performance categories encompass choral, drama, musical, instrumental, vocal and dance aspects of the performing arts. Approximately 18,000 students enter the festival each year.

Last week our talented Liwara Junior Choir participated in the Primary Choral Singing section of the Performing Arts Festival with their selections of "Being Green" and "A Million Dreams". Their renditions were received extremely well by the adjudicators who gave them very good scores in all areas. A quote from the adjudicator "You look wonderful and most of the time managed all the words of 'Being Green'.

Your tone-productions were sweet and natural.You were very focussed and I thank you for singing so well today.' Congratulations and well done to our talented Junior Choir, our solo performers, Sofia Rippingale, Sienna Mullane (Primary Vocal Solos), Chennoa Clifford & Olivia Beaman (Primary Vocal Duet), Emma Dagostino, Maddison Greenhill & Morgan Roddis (Instrumental Solo—Woodwind) and of course to Miss Bryce and the tutors. Now it's time for a well earned rest from performances and rehearsals....until 2019!

FATHER'S DAY BREAKFAST

We look forward to hosting our annual Father's Day Breakfast next Friday. If you are joining us for breakfast and haven't already sent back the slip or rung the office with your numbers, could you please do this by Tuesday 28 August to inform us of your intentions, as we want to ensure we have enough food to cater for all our families.

LIWARA SENIOR CHOIR AT ONE BIG VOICE 2018

Wow! What an experience! The Senior Choir and our very own One Big Voice dream team had yet another success at the Annual Evening Performance this year!

We began our afternoon with full bellies thanks to Mrs White and Mrs Irvine. Mrs Bellini, Mrs Conroy and veterans, Miss Longo and Mrs Walker were hands on having a great time singing and dancing with the massive crowd of 4000 children all singing positive songs in unison and harmony.

Thanks to all members of our choir for all of the practice that they have put in over the last Term to make such a great performance possible!

Well done!

BOOK WEEK CELEBRATIONS

Our Book Week Parade held on Thursday August 23rd, 2018 was sensational. The children looked amazing in their book character costumes. A HUGE thank you to the children and parents for supporting this much looked forward to event. The buzz in and beyond the library throughout the week has been awesome. Thank you also to the school band for providing us with the music for us all to parade to.

Thank you to the very talented teachers for their swashbuckling interpretation and performance of the book Pirates LOVE Underpants. The performance was truly memorable!

There was a big buzz about the Treasure Chest in the library – BUT, oh dear, no one could find the 'magic' key to unlock the padlock! The Kindy and Pre Primary children came up with very creative solutions for opening the chest without a key, ranging from chainsaws to hairclips and paper clips to axes! A big thank you to Mrs Millar (much to the delight of the Year1s) for coming to the rescue with a key that fitted the padlock and revealed the treasure – a chest full of books!

As part of our Book Week celebrations the Year 1, 3 & 4 classes have visited some local libraries to hear first hand from illustrators and authors. Author/Illustrator Briony Stewart captivated the children when she created fantasy drawings from shapes drawn on a page by Dylan from Year 4.

Thank you to everyone who helped make Book Week 2018 so memorable – we certainly have found our **TREASURE!**

Makerspace at Liwara

A place where people can come together to use, and learn to use materials as well as develop creative projects. Makerspaces promote learning through play and can be created in a classroom, a library or even in a stand alone building.

We are starting to set up a Makerspace at Liwara.

We are collecting the following items:

Plastic Drinking straws

Paper clips

Paper cups

Paper plates

Rubber Bands

If you are able to donate any of these items please drop them into the library.

Thanks

Remy

Sustainable Living

Dear Parents,

As a 'Waste Wise' school we are constantly endeavoring to REDUCE, RECYCLE AND REUSE. A mini assembly was held this week to reinforce our aims and we ask for your continued support. As of Thursday, our school will be 'wrapper' free every day of the week, not just Wednesdays. Our focus is to reduce litter and encourage a healthier diet among our students. I thank you for your support in this exciting initiative.

Class News

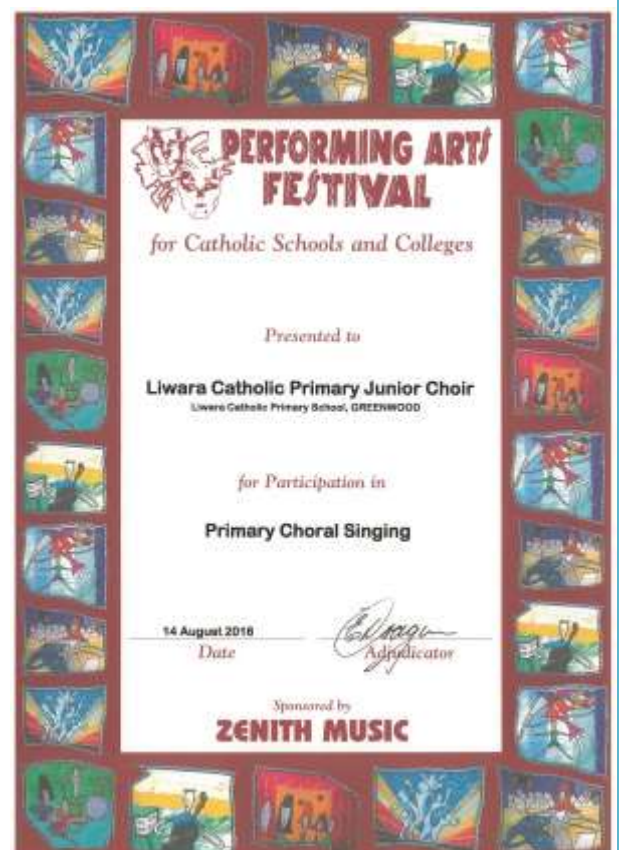

This week in Year 5 GATE we have been using our knowledge of a Microbit to code the Microbit to be part of a game we have created. We made score boards, dice and singing challenges. Check out the images to see our work in progress.

LET CONSEQUENCES DO THE TALKING.

Behavioural consequences are a parent's best friends. When consistently applied, behavioural consequences will improve kids' behaviour and increase personal responsibility.

Too often parents will over talk or repeat themselves to get cooperation from their kids. Too much talk and most kids tune out.

Alternatively, parents who protect their kids from the consequences of poor or selfish behaviour aren't doing them any favours as they are robbing them of terrific learning opportunities.

I love the notion of behavioural consequences as they teach kids to take responsibility for their lives and to make smarter choices. They are also a non-punitive discipline measure, enabling kids to keep their dignity and ensuring that learning is maximised. Parents can use two types of behavioural consequences: natural and logical.

NATURAL CONSEQUENCES

A natural consequence involves no adult interference. For instance, a child who leaves an excursion note at home will miss the excursion; a child who spends all his pocket money on the first day will have nothing for the weekend and a child who oversleeps and misses the bus walks to school. In these examples, children learn from the direct consequences of their own decisions and thus they are not protected from negative outcomes by their parents. "It's your fault, mum!"

Some kids are experts at manipulating their parents to rescue them from experiencing the consequences of their poor choices. They'll blame their parents for not getting them out of bed on time, or for not reminding them about their responsibilities. It's best to stand back and let the consequences work their magic!

NOTE: you shouldn't use natural consequences when safety is an issue. Act decisively to ensure your child is safe.

LOGICAL CONSEQUENCES

A logical consequence is used more frequently in family situations as it is the type of consequence that requires some form of adult intervention. A logical consequence is used when a child's behaviour disturbs other people, infringes on others' rights or is unsafe. A child who makes a noise in the family room is asked to leave; children who refuse to clean up their toys lose them for a period of time; a child who comes home late from a friend's house loses the right to go out next time.

The 3 Rs of logical consequences

Consequences often involve the withdrawal of a privilege or a right. For example, a teenager who spends more time than agreed on Facebook may lose access to technology for a day or two. Restitution, or making up to someone for unfair treatment or for loss of a possession, is another form of consequence. A child who willfully breaks his sister's toy may make full or part payment for a replacement. In both these examples the consequences are **related** to the child's misdemeanours, are **reasonable** and are **respectful** of their dignity. Here are four simple tips to help make sure your consequences are effective:

Tip 1: Set consequences "like whatever?"

Much of your success with the use of consequences lies in the manner with which they are issued. Issue a consequence using sarcasm or anger and your kids will be angry at you. Issue it free from emotion and without being heavy handed and your kids are more likely to be mad at themselves.

Tip 2: When possible, negotiate consequences

If a child is going to friend's house for the first time at night, talk about their behaviour and home time. Also discuss the likely consequences if they don't stick to the agreement. As a rule, kids are more likely to abide by consequences when they've had a say in deciding them.

Tip 3: Avoid life sentences

Ban a child from a going out for a few days rather than leaving the duration open ended. Set a time frame for the consequences and remember the second of the 3 Rs— reasonable— means that parents shouldn't go overboard with consequences.

Tip 4: Don't acquiesce to terrorism ... or guilt

If your child issues a threat saying something like, "There's no way you can make me come home at six o'clock," don't rise to the bait. Deflect it by saying, "We'll talk about this tomorrow." Don't give in to threats of running away or non-cooperation. "I hope you don't run away. It's great having you at home. I want what is best for you."

Avoid stating what you would love to say, which may be something like, "Yeah, try running away. You wouldn't last outside two days before you are back here begging for a good feed and comfortable bed!" Bite your tongue instead, and let the consequences do the teaching! Kids in the early stages of adolescence draw strength from each other and rarely make parental challenges individually, or at least not without some back-up. "Everyone else is going ..." "Bonnie's mum is letting her go ..." are the catchcries for this age group as they battle to get into the headspace of their parents. That's why they gang up on parents. Not only is it more effective but working together gives them false bravado.
