## OUR MISSION

We gather as a community of believers in a Catholic environment to develop in each child a sense of wonder of learning.

With the essential support of parents, our Mission is **to empower children to be faith filled, confident and fully rounded, life-long learners.**

## OUR VISION

Our Vision is a community with strong connections where every student has a sense of belonging,

feels safe and is known by name and need.

As our motto suggests, we strive to be a place of **Strength in Community.**

## CONFIRMATION PRAYER

*God of the living and the dead, God of our work and play,  
God of our hope and our love, Grant us peace today.  
Help us to see your hand in all things, and help us trust your wisdom.  
Help us see the gifts we have received and  
use them according to the needs around us to benefit all.  
Give us a generous heart and a willing spirit to accept the role you  
have given us. Send us your Holy Spirit to counsel us,  
To strengthen us, and to guide our ministry. **Amen***

## A MESSAGE FROM THE PRINCIPAL

Dear Families,

On Friday our Year 6 students completed their Confirmation preparation with a retreat day of prayer and reflection at the North Perth Monastery. Confirmation is the sacrament that completes the grace we receive in Baptism. It seals, or confirms, this grace through the seven Gifts of the Holy Spirit that we receive as part of Confirmation. This sacrament also makes us better able to participate in the worship and apostolic life of the Church. I pray that the gifts of the Holy Spirit will inspire the candidates to be true and generous witnesses to Christ's love. I look forward to joining the candidates, their families and staff members at the Masses this coming weekend. I ask that you keep the candidates and their families in your prayers. I would like to thank the teachers and parish sacramental team for guiding and preparing the candidates to receive this important sacrament.

**Gifts of the Holy Spirit** Through Jesus, we receive the Gifts of the Holy Spirit in the Sacrament of Confirmation.

**Wisdom** helps us to recognise the importance of others and the importance of keeping God central in our lives.

**Understanding** is the ability to comprehend the meaning of God's message.

**Knowledge** is the ability to think about and explore god's revelation, and also to recognise that there are mysteries of faith beyond us.

**Fortitude** is the courage to do what one knows is right.

**Piety** helps us pray to God in true devotion.

**Counsel** is the ability to see the best way to follow God's plan when we have choices that relate to Him.

**Fear of the Lord** is the feeling of amazement before God, who is all-present, and whose friendship we do not want to lose.

## KINDY 2020

Interviews for Kindy 2020 are being conducted this term for new families. Sibling Parent information session will be conducted in Term 4, dates to be confirmed. If you know of any families who fall into either of these categories please inform them of the importance of contacting the office, immediately, for enrolment forms.

**PRE KINDY & KINDY DAYS 2019** As we are now offering two full days of Pre Kindy (3 Year Old) on a Wednesday and Friday, the Friday usually beginning part way through the year, we will be keeping our Kindy (4 Year Old) days as they currently are—Monday, Tuesday & Thursday.

**MESSAGE FROM ARCHBISHOP TIMOTHY COSTELLO** - Please see Skoolbag for this message.

**FATHER'S DAY BREAKFAST** Another wonderful event was had by all last Friday when we celebrated our dads and grandads at our Father's Day breakfast. The staff eagerly look forward to the annual event and volunteer their skills of cooking the sausages and eggs or using their café skills to prepare a tea or coffee, setting up and down, purchasing the necessary items and just generally enjoying the morning. Thank you to all our dads and grandads for your support in attending the event.

### **TEMPORARY STAFF CHANGES**

Mrs Pernilla Collett who has been taking Science classes this term, will be continuing in the position for the remainder of the year as Mrs Susan Venaille has requested leave.

### **ABSENTEE NOTIFICATION CHANGE**

As of Term 4 2018 the only ways that you can notify the school of student absentee will be via the Liwara Website Absentee Icon and the Voice Message on the main phone line 9448 3811 ext 1. This email will become a resolved absence hence eliminating the need to write a follow up explanation. Please contact the school by 8:20am if your child is not coming. The SMS and voice mail to the mobile number will no longer continue to operate from week 2 term 4 2018.

### **TERM FEE PAYMENTS ARE NOW DUE**

A reminder for families who make term payments. Please contact the Bursar, Mrs Hansen, should you have any fee queries.

### **LEARNING JOURNEY**

I look forward to seeing all our families on Tuesday 11 September at our Annual Learning Journey. Our dedicated staff have been spending many hours, of their non-teaching time, preparing for the evening to showcase all the wonderful work your children have been engaged in.

### **INFLUENZA—HEALTH AND WELLBEING**

Influenza, though mild in most people, can be a serious illness. Symptoms of the disease include fever, cough, sore throat, headache, chills, muscle aches and runny nose. Influenza is spread easily from person to person through infected droplets in the air and on the hands. In children it is highly infectious so parents are urged to keep students at home if they are showing symptoms of cold or flu-like illness. They should remain at home until acute symptoms have resolved. It is important all community members help prevent the spread of influenza by observing practices of good flu etiquette and encouraging these in students.

These practices include:

- covering their mouths when coughing or sneezing
- blowing their noses into tissues, and disposing of these properly in a rubbish bin
- washing their hands thoroughly after coughing, sneezing or blowing their nose.

God Bless  
Andrea Millar

## **A MESSAGE FROM THE ASSISTANT PRINCIPALS**

### **CONFIRMATION 2018**

Our prayers are with all our Year 6 students who will be receiving the Sacrament of Confirmation this weekend. May the Gift of the Holy Spirit strengthen them to become strong servants of the Lord.

### **LEARNING JOURNEY NIGHT - Tuesday 11 September 4:30-6:30pm**

All parents are invited to view their child's classroom to view their work on display. The Specialists classrooms will also be open to view children's work. In the Ahern Centre the whole school has created a display focused on Mathematics. This year the display is focused on the children's book 'Six Feet Long, Three Feet Wide' by Jeannie Billington and Nicola Smee.

The Year 6 Special Events Ministry will be selling hot drinks and biscuits to raise money for Wheelchair for Kids.

We look forward to seeing you on Tuesday night.

### **ALTAR SERVING/MINISTRY**

Any Year 4 or 5 student who has made their First Holy Communion and is interested in becoming an Altar Server/Minister is invited, along with a parent, to attend a meeting at 3pm on Monday 17 September in the Ahern Centre to discuss the training process that will take place during school time next term.

### **RSPCA BLANKET COLLECTION**

A huge thank you to the generous Liwara Community for their large donation of hundreds of old blankets, towels and sheets (and a dog toy) that were delivered to the RSPCA this week to assist with their care of displaced animals.

### **SCHOOLBAGS FOR JESUS CAMPAIGN**

A letter outlining the details of the Schoolbags for Jesus Campaign was sent home last week. In short, the Campaign aims to supply much needed school supplies to Primary School students of disadvantaged backgrounds in poor countries. The Liwara Social justice Ministry is asking families to donate to this cause by creating a 'schoolbag' (plastic bag) of nominated educational resources as per the flyer attached to this newsletter and sending it to your child's class teacher for collection. We hope you are able to assist in our efforts in this campaign. Thank you

# MAKERSPACE AT LIWARA

A place where people can come together to use, and learn to use materials, as well as develop creative projects. Makerspaces promote learning through play and can be created in a classroom, a library or even in a stand alone building.

We are starting to set up a Makerspace at Liwara.

We are collecting the following items:

Plastic Drinking straws

Paper clips

Paper cups

Paper plates

Rubber Bands

If you are able to donate any of these items please drop them into the library.

Thanks  
Remy McGavigan

## IF YOU LEAVE LITTER, YOU'RE RUBBISH

Keep Australia Beautiful WA's new anti-litter campaign targets some of this State's most littered items, including takeaway food and beverage containers and cigarette butts.

Litter statistics as measured by the [National Litter Index](#) show that Western Australia still has high levels of litter. Litter has social, environmental and economic costs, including impacts on wildlife, costs of clean-ups and loss of visual appeal and amenity of our public spaces.

The campaign-"**If you leave litter, you're rubbish**" focuses on some of the most commonly littered items, and shows the cost and the impacts on the environment. The hard hitting message reinforces the unacceptability of littering behaviour, and reminds litterers that it is illegal and that you can be fined if caught.

**If you leave litter,  
you're rubbish.**

## Dealing with video game crazes: Fortnite and fanaticism

by Martine Oglethorpe

Working with kids in schools these past weeks, and indeed having five children of my own, has alerted me to the seemingly unprecedented obsession with the new online game Fortnite. Not since Pokémon Go has something seemed to take the world by storm, leaving parents wondering when it will ever stop.

The answer to that last question is probably that it will stop when the next big thing comes along. These fads may well be a modern day version of the Rubik's Cube, elastics or swap cards, though of course the effects of the obsession can be much more pervasive than with my childhood obsession with PacMan.

### If Fortnite is the latest craze to hit your household, or you are being nagged and cajoled to let them have the game "that everyone else is playing", then here are a few things you should know:

- \* It is violent. The aim of the game is to be the last person standing, and in order to do that you must kill all the other players.
- \* However the violence is portrayed as less real and almost cartoonish. There is no blood and gore as such, and so the violence is not comparable to that portrayed in other games such as Call of Duty or Grand Theft Auto.
- \* You can work in a team or on your own; working in a team can develop some effective teamwork skills.
- \* You can chat to team members but also random strangers who make up the remainder of the 100 players who are playing at the time.
- \* You can turn the chat function off by going to the settings and clicking on Audio options. This limits chatting to a player's friends or team members.
- \* Kids will be very loud playing this game so there is little chance of them playing it behind your back!
- \* Each game goes for about 20 minutes so it is an easy one to put time limits on by stipulating the number of games.
- \* It is frequently described as addictive so it is unlikely they will leave a game midway through.

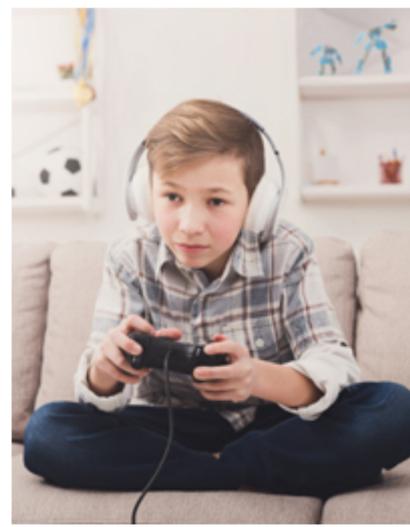

As with any new game, social network or fad, it is crucial that we familiarise ourselves with it. Have a game with them, play around with the app or read about what the possible dangers may be so that you can have the right conversations and put the right boundaries in place. Whilst there are certainly many areas of video gaming to be concerned about, it is also important to recognise that most video games can build skills and can also have social, emotional and cognitive benefits.

Now of course in order to enjoy these benefits parents need to ensure that gaming remains under control and that the games being played are at an appropriate level for their child.

### Five things to keep in mind

1. Discuss any themes or concepts you are concerned about to see if your child has a grasp on the reality (or lack thereof) when it comes to certain games.
2. Monitor how your individual child is coping with a game and the amount of time they are playing. If their mood is changing, they are having a fight to come to the dinner table or they are staying up all night and neglecting other areas of their lives, then you will need to step in and make some changes.
3. Remember it is your house and your rules. But making these rules and boundaries from a place of knowledge and understanding makes them a lot easier to enforce.
4. If a child is struggling with time limits, warnings may help and you may wish to slowly reduce the time being played (rather than go cold turkey). However, some parents have had success with giving their kids a total break from games when things were getting out of hand.
5. Always go to the settings area of any game or network as there you will find ways to make the experience as safe and positive as possible. Minimising the number of people they have the ability to connect with and who can make contact with them is a good place to start.

Remember that every child is different and so the effects that gaming has on each child will be different. The key to enjoying a positive experience with whatever game or craze comes your way is to ensure your child maintains control over their play, that they are playing safely and that they are still leaving plenty of time to do all of the many other things they need to experience on any given day.
