Dear Families Welcome back to all our students, staff and families and an extra warm welcome to our new students and families who have joined our Liwara Community this term. Where has the year gone..... as we begin our final term of 2019! With only nine weeks of school for our students, it promises to be a busy and exciting period. It is pleasing to see how quickly the children have settled in, straight back into their great work habits. The students have returned ready for the weather looking smart in their summer uniforms. Please keep an eye on the website calendar as there are many important dates this term.

**ACM DATE** Please add **Monday 2 December @ 6.30 in the Ahern Centre** into your calendars as we will be holding the Annual Community Meeting (ACM) which incorporates the Board & P&F Annual General Meetings as well. I will be proudly sharing many aspects and celebrations of another successful year for the students, staff and families so please make every effort to attend. I will also be informing the community of the 2020 staffing positions.

**KINDY SPORTS CARNIVAL** We were entertained and delighted with our Kindy students this morning as they participated enthusiastically in their games and running races. It was a beautiful morning shared with many of our parents and extended families. Thank you to Mr Dols for organising such a fun and joyful experience. A big thank you also to our Kindy staff who worked closely with Mr Dols and Mrs Keegan who performed her duties as emcee with aplomb!

### OUR MISSION

We gather as a community of believers in a Catholic environment to develop in each child a sense of wonder of learning.

With the essential support of parents, our Mission is **to empower children to be faith filled, confident and fully rounded, life-long learners.**

### OUR VISION

Our Vision is a community with strong connections where every student has a sense of belonging, feels safe and is known by name and need.

As our motto suggests, we strive to be a place of **Strength in Community.**

**LIWARA ATHLETICS CARNIVAL** As our Liwara Athletics Carnival was held in the last week of Term 3 I didn't have the opportunity to celebrate the wonderful event with the community. Congratulations and thank you to everyone who contributed to the success of the carnival. Thank you to Mr Dols for his superb organisation of the day. Thank you to Mr Ridout for his support and marking of the oval, prior to the carnival and to all our parents and staff who assisted with the set up and set down for the day. Thank you to the parents, grandparents and community members for your enthusiastic support and assistance throughout the day. A special thank you to the P&F for organising the Subway lunches. Once again, our students were the champions of the day with their energy, collaboration, support and collegiality, along with a healthy competitive spirit. Thank you to our Year 6 Sports Ministry who attended to their duties responsibly and respectfully.

# Sustainable Living

Welcome back to the new school term and another wonderful week for sustainability at Liwara. New sustainability grants have been submitted and we wait in hope to find out whether we have been successful in securing more funding for future sustainability initiatives in our school.

Our Year 6 students have had an enthusiastic return to their final school term at Liwara. It has been fantastic to see our Semester Two Green Team collaboratively caring for their new garden bed outside the Year 6 classrooms, where they are growing sunflowers (see below).

Also, I am very pleased to announce that our first Greenbatch recycling pick-up is being organised as we now have over six bags of Type 1 PET, Type 2 HDPE and aluminium cans (pictured above). Well done Liwara!

**Keep recycling Liwara because together we are making a difference to our planet!**

**Tuesday 24 March 2020**

**This will be a half-day due to Parent-Teacher Interviews.**

**Students will need to be collected at 12.00pm.**

**There will be no lunches available from the canteen.**

**More information will be advertised early next year.**

# Year 2 Class News

In Year 2 we have been learning about Australian currency. We have been working together to find out its value and how we can make different amounts by using combinations of coins and notes. In the following lessons we will be using junk mail and creating shopping lists on a budget. We will be using our previous knowledge of addition, subtraction, multiplication and division. The children will also be researching the marking on each coin and note denomination.

We look forward to a busy last term in Year 2.

## YOUTH MINISTRY

### YOUTH MINISTRY GOALS & RESULTS

**Youth Group Attendance Goal - 22.** This was achieved as there was 27 youth in attendance.

**Youth Group Content Goal: For the youth to grow in relationship with each other and have a fun night for the last night of holidays.** This was achieved as we played many rounds of laser tag with different groups of youth together which helped them

grow as a team and bring a communal spirit to the youth group.

**To build relationships between the youth and the leadership team.** This was done as the free time, games and activities through the night allowed our leaders and youth to interact together.

### YOUTH GROUP GAMES / ACTIVITIES Laser Tag

### YOUTH GROUP TALK / FOCUS

We had a Laser Tag social. This was great in helping everyone to form stronger bonds together and make the atmosphere more welcoming.

**NEXT YOUTH GROUP THEME** Introduction to Fruits of the Spirit.

**LAST WEEK'S NON-YOUTH GROUP MINISTRY ACTIVITIES / MASS**
