K2020 INFO SESSION 20 NOVEMBER

Let us pray Creator God, we can choose to live differently! Inspire us as we make choices so that we will recognize the impact our lives have on our environment and our human family around the globe.

We pray to the Lord: Lord, help to reclaim the future! Wonderful God, you invite us to live simply, to live sustainably, and to live in solidarity with the poor. So help us to respond to that invitation with conviction and generosity.

Pour out your blessing upon us today. May each of our actions reveal our awareness that we are partners with You in the creation and sustainability of this earth that you have given to us to appreciate and enjoy. We ask this in the name of your Son. Amen

Dear Families,

Welcome to Week Three of Term 4. We are all very excited about our upcoming 40th Anniversary Fair on Friday 8 November. Our Fair Committee and P&F continue to work relentlessly to ensure all is prepared for another successful community event. Thank you to all those who have offered their support, especially the gift of their time. With all fund raising events supported by the P&F there is much to be done so please be generous in offering your time in assisting in the lead up to the day and especially on the day—even if it just for an hour or two. Let's all work together to make sure this significant event puts our school name 'out there' as a community that gathers together to do wonderful things!

As we move towards the end of the school year, we are receiving daily enquiries about possible student enrolments for 2020, so it will be greatly appreciated if any families not returning to Liwara in 2020 would notify the school office by the end of next week. Whilst we are always sad to say farewell to members of our community, we are also happy to be able to welcome new families in.

It is with some sadness that I inform the community that Mrs Kristy Graffin and Ms Meadhbh Glasgow-Collins will be leaving the Liwara Community at the end of this year, as they have accepted positions at other schools from the beginning of the 2020 school year. Mrs Graffin will be moving to St Luke's Primary School in Woodvale and Ms GC to St Michael's School in Bassendean. On behalf of the school community, I wish both these dedicated and talented individuals all the very best for their future careers and thank them for all the years they have spent at Liwara nurturing and lovingly guiding and teaching our students. Whilst it is disappointing news for us, it is the beginning of new adventures for both Kristy & Meadhbh and I know you join me in wishing them every happiness and blessings.

OUR MISSION

We gather as a community of believers in a Catholic environment to develop in each child a sense of wonder of learning.

With the essential support of parents, our Mission is **to empower children to be faith filled, confident and fully rounded, life-long learners.**

OUR VISION

Our Vision is a community with strong connections where every student has a sense of belonging, feels safe and is known by name and need.

As our motto suggests, we strive to be a place of **Strength in Community.**

“ When We Feel Good, We Function Well”

Last week, three of our staff members attended the ‘Making Wellbeing Visible in Schools’ professional development at the Newman Sienna Centre in Doubleview. The seminar was designed by award winning and internationally acclaimed psychology researcher, Professor Lea Waters (PhD). Visible Wellbeing (VWB) combines the science of wellbeing with the science of learning to achieve the three key goals of:

- helping students and staff to more clearly see their own and other’s wellbeing using VWB practices
- helping students and staff more systematically *build* wellbeing
- facilitating learning through the visible wellbeing classroom process

It was affirming to note that quite a few of the many strategies that Professor Waters shared were things that the teachers at Liwara have been doing already. The team that went to the seminar will be working with the staff to grow VWB in our school. We are blessed to have a school culture that nurtures and embraces the wellbeing of students, staff and the wider community so becoming a ‘Visible Wellbeing School’ will be an extension on what we already do by expanding our knowledge to increase the emotional, physical and mental wellbeing of our students.

VOLUNTEERS THANK YOU

I would like to extend my deep gratitude, on behalf of the classroom teachers and education staff, to all our classroom volunteers for the time they devote to assisting in many capacities to enhance our students’ learning, whether it be in classrooms, excursions, library, Support A Reader as well as other opportunities. Your generosity is greatly appreciated and we would be lost without you. We will be sending home a token of our appreciation with your child in the next couple of weeks.

God Bless

Andrea Millar

Sport News

NIPSSA Interschool Athletics Carnival

Congratulations to all competitors who competed in the NIPSSA Interschool Athletics carnival last Friday. Everyone enjoyed the participation against other schools and competed with great determination. Although there were outstanding individual performances, this was a 'no-points' event so, there are no results to report.

Gymnastics Program

This week, the PrePrimary, Year 2 and Year 4 students began a 4-week Gymnastics program run during Phys. Ed. classes by instructors from the Northern District Gymnastics Club.

Congratulations

A hearty congratulations to Oliver Clarke in Year 5 who competed as a Liwara student at the 2019 inaugural Primary Champion Schools track and field carnival where he received a silver medal for long jump with a distance of 4.37 m and a gold medal (and current record holder) for turbo javelin with a distance of 27.15 m.

Sustainable Living

Wow! We have had another great week in Sustainability at Liwara. The Green Team have been putting sustainability into action. They have planted tomato seedlings in old recycled lift top desks. We used two tubs per planter, the upper with drainage holes added and the bottom tray to collect water run-off. We collected soil that has been mixed by Mr Ridout with mulch, dampened it down, then added our tomato seedlings grown in the school greenhouses, before mulching on top to prevent water loss.

With regular watering, we should soon have a good supply of cherry and tree tomatoes that we can give to the school canteen. We are also growing strawberries and have set up two planter boxes with basil that we have reared in the greenhouses.

As you can see our first Greenbatch collection has taken place! We look forward to there being many more!

Keep recycling Liwara because together we make our planet a cleaner place for everyone!

Tuesday 24 March 2020

This will be a half-day due to Parent-Teacher Interviews.

Students will need to be collected at 12.00pm.

There will be no lunches available from the canteen.

More information will be advertised early next year.

Kindy Class News

In Kindy we have been learning about "Creepy Crawlies". God created so many different types of creatures and these are the very small ones that we often don't notice. We have learnt about insects and how they have 6 legs and three body parts. The students have investigated slaters, ants and even a giant sandgrouper that was found in the playground under a big rock. We have silkworms and they are currently eating their way through lots of mulberry leaves so that they can spin a cocoon in preparation for the next stage of their lifecycle.

In Kindy Red, we have Mrs Edis on her teaching practicum, and she read a fun book about ladybirds. This led to us making ladybird puppets, cutting our own ladybirds and using dice to count and work out how many dots each ladybird should have. Our playdough table has lots of craft items so that we could create our own creatures. Have a look at some of the things we have made so far.

In Kindy Green we integrated our sound work to learn about Creepy Crawlies. We wrapped wool around pop-sticks to create spider webs and made spiders from air dry clay. As part of our work on the 'a' sound we made a sandy ant hill and covered it in aluminium foil ants. We have hidden some creepy crawlies in our sensory tub and have lots of fun finding them each day.

Liwara's 40th Fair

Friday 8th November

The countdown is on to our annual Liwara School Fair!

This year we celebrate 40 years of the Liwara School Fair. The Fair Committee is hard at work making this a special one but we need your help....

How can you help?

If you would like to help with the Fair but are unsure of what to do, please contact Tess Mak on 0430 927 696 or email liwarapf@gmail.com.

There are so many ways you can help, from being a stall coordinator, stall helper on the night, set-up/pack-up, cooking or making items to sell for craft or cake/ gourmet/cafe stalls, donating items such as plants, lollies, ingredients, raffle items and prizes .

Live Online rosters are available now, so be sure to pop you name down. Just half hour of your time on the night is greatly appreciated and allows all families to enjoy the Fair.
