A first aid box will also be stored in the vehicle.

Sun Safety

(Policy Extract)

Our Sun Protection Policy has been developed to ensure that all children are protected from skin damage caused by the harmful ultraviolet radiation (UVR) from the sun. To ensure all children are protected the following applies:

- Children will wear a hat whenever outside
- SPF 50+ broad spectrum water resistant sunscreen will be provided for children and applied 20 minutes before going outside.
- Outdoor play will not occur in extreme heat or at the hottest time of the day.
- Staff will act as role models, by wearing hats and following sun smart procedures.
- Sunscreen protection will be provided at all times throughout all seasons.
- It is recommended that children and educators wear loose fitting clothing that protects as much of the skin as possible for outdoor activities. Shirts that cover the shoulders and have collars and sleeves in addition to longer style skirts and shorts are most suitable.
- Children wearing tank tops, singlets or dresses with strappy shoulders will be required to play in an area protected from the sun.
