

Year 5, 2020 Required Apps

As the required device for Year 5, 2020 is an ipad (6th Generation or later), could you please note the list of Apps below required to be downloaded for the start of the 2020 school year.

The majority of the apps are free and should already be available on your child's device from Year 4. Therefore, Apps which require a payment do not need to be re-purchased if already purchased for Year 4.

Thank you for your support ensuring your child's device is ready to be used from day 1.

For your convenience, by clicking on the link you will be taken directly to the App store download page.
