\$10 PIZZAS | \$10 XPRESSO MARTINI'S & COCKTAILS

LADS

Through community, the LADS movement looks to provide that extra dimension to the experience of dads at this school.

Can't drop the kids at school, or do pick-up? Can't attend school events? Working hard building a business? Flying in / flying out? New to the school? Or even just plain busy? ... Are you OK?

LADS is for all dads. Of course you get out of it what you put in, so we encourage all the dads to subscribe to the email list and keep in the loop with all the plans.

Keep in the loop

INTERNATIONAL WOMEN'S DAY

March 8, 2020

This Sunday 8th of March, the world celebrates International Women's Day.

LADS, what you can do to identify and mitigate unnecessary disparity?

Empower the women you know and love, and celebrate their achievements.

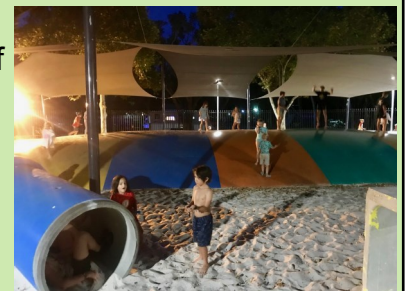

Raise awareness and be a voice against gender bias and blatant chauvinism.

Be a powerful role model to your kids and take action to cleanse their future.

"An equal world is an enabled world"

Liwara camp night round-up

The Liwara camp was held last week and was a great couple of nights. It really was in tents. The humid evenings made for late balmy nights. There *may* have been a couple of sore heads on Sunday Morning.

Around 15 families attended the event and we are definitely going to organise it again next year. Thanks to the Karrinyup Waters Resort staff for making the event possible and accommodating us. KWR is such a fantastic venue.

A million thanks to the Ford family for organising the event, and special thanks to everyone who helped make those delicious bacon & egg sambos Sunday morning!

Lazy Sunday Coffee - 10am Sunday 29th March

Waldecks Lakeview café (173 Wanneroo Road Kingsley, cnr Hepburn Ave)

Bring your kids along to hang out for a lazy coffee. Lock in the date, and lets see how many dads we can get out!
