

Youth Group Goals

1. Have 30 young people attend youth group.
2. To engage our young people and encourage them to ask burning question on their hearts about faith.
3. For the leaders to relate with the young people and strengthen their relationships with one another.

Goal Status

Goal 1) We are incredibly happy to achieve this goal with a total of 30 young people and hope to continue growing in number.

Goal 2) We had a great start to the term theme! We gave the young people an opportunity to write anonymous questions that they have on their hearts about faith. Everyone was engaged and felt they could be open to ask anything on their minds!

Goal 3) Our leaders were able to continue to really strengthen their relationship with the young people at youth group. Leaders and young people were able to engage with one another especially in our marshmallow challenge as they had to work together and our card rugby game. In free time was also a great time to get around one another, be it in a game of basketball or in a board game.

Youth Group Talk / Focus

Last week we commenced our term 4 theme of "curly questions". In this term we hope that our young people feel open in asking any questions about faith that maybe on their hearts. We encouraged them to look at it as if they oversee what we talk about at youth group! We gave everyone about 15 mins to sit by themselves and reflect any areas of their faith that they struggle with or have questions on.

Next Youth Group Theme

Next Youth Group we will begin with our first question! Since we only just received all the questions, we will make our term plan on these questions! Once we have compiled them all and understood the various themes and commonalities, we will be able to know and understand what each week will look like.

This Past Week's Non-Youth Group Activities / Masses / External Involvement

Next week we have our leader's catchup where our leaders will join together to go to the 9.30am Mass at all Saints parish and then have lunch together afterwards.
