

Youth Group Goals

1. To have 30 young people attend youth group.
2. For the young people to gain an understanding of the 10 Commandments and why they are important for their life.
3. For us to strengthen our relationship with the parish through monthly youth Masses and events.

Goal Status

Goal 1) Across both our water fight and youth group we ended up with 36 young people at youth group this weekend.

Goal 2) This week we had a talk about the 8th commandment: Thou shall not bear false witness. The young people paid attention during the talk and gave positive feedback about being able to relate to the talk.

Goal 3) We are on track to keep achieving this goal as we had our monthly mass followed by our water fight after the 9:30am Mass on Sunday and even managed to get some new people coming to both youth group and the water fight which is amazing.

Youth Group Talk / Focus

Last youth group we looked at the topic, Commandment number 8! We broke open "You shall not bear false witness against your neighbour". The key message from the input involved:

- What this commandment means.
- How we can relate it to our own lives.
- What does it look like in the world today.

Next Youth Group Theme

Next Youth Group we are focusing on the last 2 commandments we haven't spoken about yet! These are commandments 7 and 10 which are: Thou shall not steal and thou shall not

covert your neighbour's goods. Not only will we be diving into what these are, we will also be ensuring to relate it to our young people's lives so they know how to practically apply these commandments to their context.

This Past Week's Non-Youth Group Activities / Masses / External Involvement

On Sunday, we had our Youth Mass where we invited our youth to join us for the 9.30am Mass. We then went down to the oval where we played water balloon toss, had a water fight and an epic water slide! We know how important these monthly events are because they not only provide a fun environment for the young people but it also connects our youth group participants to the parish.
