

24:7 Greenwood Update – 8th May 2022

Youth Group Goals

1. To have 25 young people to attend youth group.
2. For our young people to understand wisdom and how they can grow in this gift.
3. For us to strengthen our relationship with the parish through monthly Youth Masses and events.

Goal Status

Goal 1) We didn't quite manage to achieve this goal as we had 16 young people at youth group which is not bad considering the impact of Mother's Day and Covid-19 cases.

Goal 2) We managed to achieve this goal as everyone seemed to be engaged during the talk and people were asking thoughtful questions throughout and after the talk.

Talk 3) We have our youth Mass and netball event on the 22nd of May as well as now moving into the new Parish Centre.

Youth Group Talk / Focus

Last youth group we looked at the gift of the Holy Spirit -Wisdom! Georgia spoke on the gift wisdom for the talk. Her key points focused on what does this gift mean, why is it important in our lives and how can we grow in wisdom.

Next Youth Group Theme

Next Youth Group we are looking at our next gift of the Holy Spirit: Understanding. We will have one of our leaders discuss what understanding looks like in our lives, how to grow in this gift and why it is important in our faith. They will also share times in their life where they have grown in this area.

This Past Week's Non-Youth Group Activities / Masses / External Involvement

We were able to transition our youth group last week into the new parish centre which was incredible. We discussed expectations and visions of using this venue!

Our next Youth Mass and netball event is happening on the 22nd of May!
