

**Youth Group Goals**

- 1) To have 25 youth attend youth group.
- 2) Help the youth to understand a key type of prayer: personal prayer. Teaching them why it is important.
- 3) For the leaders to relate with the youth and strengthen their relationship with one another. One way we hoped to carry this out is through our first brotherhood event.

**Goal Status**

- Goal 1) Our relational efforts are working well as we had a total of 29 youth come last Sunday to youth group.
- Goal 2) We achieved this goal through the content of the night. The youth were given the opportunity to listen to a talk about personal prayer. The talk was followed by a chance for the youth to put it into practice, with some reflection time.
- Goal 3) The leaders all did a really good job of relating with the youth and connecting with them, despite being short on some leaders. The brotherhood soccer event held after the Sunday morning Mass also ran really well and smoothly. Everyone had a really good time.

**Youth Group Talk / Focus**

The theme for youth group was personal prayer.

**Next Youth Group Theme**

Next youth group the theme is focusing on structured devotions. Our theme title is "Baby Food Blitz."

**This Past Week's Non-Youth Group Activities / Masses / External Involvement**
