

### **Youth Group Goals**

1. To have 25 young people in attendance. We had a total attendance of 38 young people!
2. To successfully run our first encounter night at Youth group for this year in an engaging way. This was extremely well done. It was very impactful for the youth. They loved it.
3. For the leaders to relate with the youth and strengthen their relationships with one another. The leaders related very well with the young people.

### **Youth Group Talk / Focus**

Last week at youth group we had an Easter Eve Encounter Night. The main focus of the night was to experience Adoration of the Blessed Sacrament and to provide the young people with an opportunity to attend the Sacrament of Reconciliation. Our term theme was prayer, so we were exploring prayer through the sacraments.

### **Next Youth Group Theme**

There will be no youth group this coming Sunday as it is Easter Sunday. However, youth group will still be on during the school holidays. We plan to host a few games night!
