

Youth Group Goals

1. To have 30 youth people to attend youth group.
2. For the young people to learn and understand more about conversion and how it is relevant in their life.
3. For the leaders to relate with the young people and strengthen their relationships with one another.

Goal Status

Goal 1) This goal was not quite achieved as we only had 24 young people. However, this could be due to the exams and many schools having tests coming up.

Goal 2) This was achieved with Charli who gave her amazing testimony.

Goal 3) This was done extremely well. There were no young people who were left by themselves.

Youth Group Talk / Focus

Last youth group we had the theme “Conversion Emersion”. We had an amazing guest speaker, Charli, come and share her testimony with us. Charli unpacked how her steps towards conversion was through hearing the Good News and deciding to take the step towards God. She shared how God will change our lives when we trust in Him.

Next Youth Group Theme

This coming week we have the theme “Conviction Depiction”. Gabe Macfarlane will share his testimony on the importance of desiring holiness.
