

Youth Group Goals

1. Attendance: To have 25 young people to attend youth group.
2. Content: To successfully provide a safe and relaxing environment for young people to rest and have fun during the holidays.
3. Leadership development: For the leaders to relate with the youth and strengthen their relationships with one another.

Goal Status

Goal 1) This was achieved with an attendance of 27 young people. We are so happy to see this number even though it is the school holidays, and we are aware some people were away.

Goal 2) This was extremely successful with everyone smiling and laughing. The Easter Egg Hunt was the highlight of the youth group night. Youth group provides the young people with an opportunity to share and feel safe.

Goal 3) This goal was mostly achieved. We need to work with some to help them step out of their comfort zone. However, majority of our leaders did a brilliant job realizing that they are present for the service of the Lord, not themselves.
