

# BOOK WEEK – READING IS MY SECRET POWER

Book Week was celebrated with a wonderful Book Week Parade on Tuesday 20 August. The students, with the full support of their families, and staff excelled themselves once again with the creativity and enthusiasm leading up to and on the day of the parade itself.

Mrs Margetic chose the picture book “What the Ladybird Heard” by Julia Donaldson for the staff to act out and the students were delighted with their onstage antics! I sometimes wonder who has the most fun during Book Week?

The Pre-Primary children created the most beautiful artwork and have delighted all with their ‘super hero’ paintings that are on display in the library.
