Dear Parents

This letter is for parents of students who will be going into Kindy, Pre-Primary, Year One or Year Two in 2023.

Stationery and textbooks are ordered in bulk for students in these year levels. This is in line with our Early Childhood Philosophy and the National Quality Standards for Early Years Education. Teachers will ensure all students are supplied with the appropriate stationery and individual textbooks as required. **Parents will still be required to send in a few individual items for the children. Please see below for this list.**

Families with students in Kindy to Year Two are charged a higher Resource Levy each year, but by ordering bulk supplies in the early years we provide significant savings to our families. I thank you in advance for your support in this cost saving exercise which will ensure that teachers are able to provide the students with all necessary classroom consumables. We also hope this will take away some of the added end of year stresses for our parents in the early years.

Yours sincerely

John Dols
ASSISTANT PRINCIPAL
