

Apple Repairs Made Easy For Schools!

**From Two Rocks To Mandurah — we'll
collect and return your faulty devices
FOR FREE!**

We understand it's not always easy to find time to drop off damaged devices.

But with Solutions IT's recent acquisition of MacWorx Joondalup, we can now help schools in the Perth metro area — from Mandurah to Two Rocks — get their devices repaired in no time!

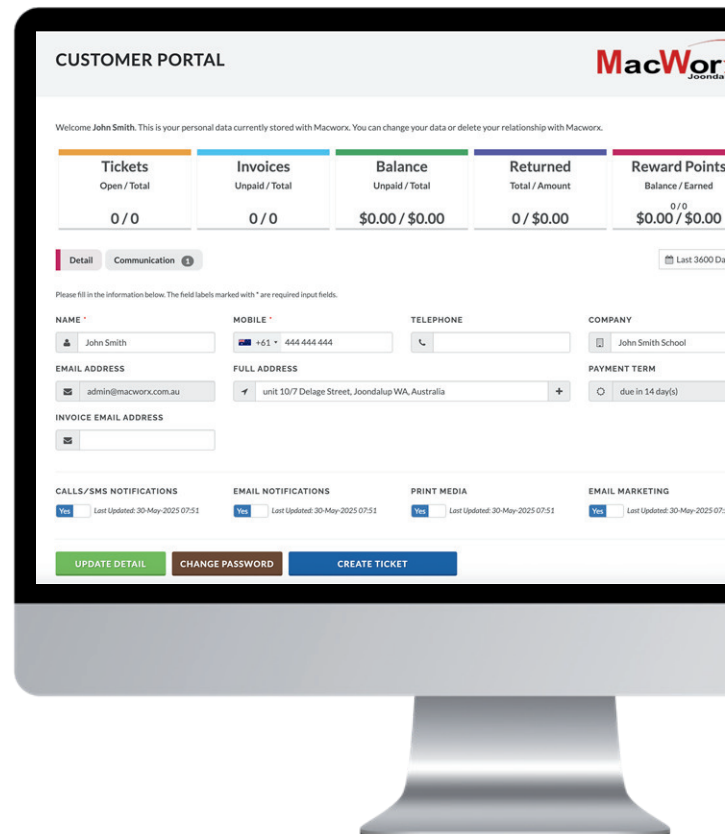

Simply submit your request on our portal and we'll collect, repair and return them! It's as easy as that.

What's covered?

- ✓ Free pick up and return of devices
- ✓ No minimum number of devices per collection
- ✓ Repairs for devices under warranty, out-of-warranty, or through insurance*
- ✓ All repairs handled by certified Apple technicians

*Repair costs are quoted separately.

Out-of-warranty and insurance claims will incur additional repair charges. Ts&Cs apply, contact for more details.

How It Works – In 3 Easy Steps

1. Submit your repair request via our secure online portal
2. Box the devices and leave them at reception
3. We collect — and return them once repaired
