PROCEDURES

1. Texts selected at Liwara are previewed and evaluated prior to their use.
2. The Principal and/or Teacher Librarian are the first people to consult for advice on the selection of texts and the Office of Film and Literature Classification Guidelines for non-print texts.
3. In selecting a documentary, feature film, television program, animated film or short film, for viewing by students, the guidelines set by the Office of Film and Literature Classification apply. This classification relates to all school activities:

4. Professional learning will be provided to ensure that teachers have the knowledge and understanding to use the selected text.
5. Where the class teacher and a member of the Leadership Team consider the text suitable (e.g. a documentary on the Holocaust which may contain graphic footage) but its rating is above the recommended age group, then permission must be sought from the parent or guardian by letter and reply slip. If a parent or guardian declines consent, then where possible the student will be provided with an alternative text covering the same concepts.
6. It is not the policy of Liwara to abridge a text and no text will be censored by the removal of pages or editing of footage because this contravenes the Copyright Act; however it may be appropriate to use particular sections of the text.
7. If a parent or guardian makes a complaint about the relevance or suitability of a text, the complaint should be made in writing to the Principal outlining the nature of the complaint.
8. Subsequent to a complaint, the relevant staff member and/or member of Catholic Education WA shall meet the parent or guardian to discuss their concerns.
9. If appropriate, the relevant authorities at Catholic Education WA and the Curriculum Council will be consulted. The Principal will have the final say on the removal of a text. In the case of a text having a number of different complaints brought against it, each complaint will be examined independently.
10. If a member of the general community makes a complaint, the nature of the complaint should be ascertained. The matter should be reported to the Principal.
11. Liwara has safeguards to prevent students accessing materials that are of a dubious nature, inappropriate or offensive.
