## EASTER PRAYER

*Risen Jesus, as we begin our holidays, we are grateful for the gift of Easter, Life.*

*Send us your Spirit of Hope, that we may see the future with your eyes.*

*Send us your spirit of Joy, that we may know deep contentment in our journey.*

*Grant us generous hearts that we may persevere when the road is rocky.*

*Stir up our memory that we may recall your journey with and among us.*

*Create in us a spirit of humility that we may depend on your guidance in all we do each day.*

*Finally, we ask you to help us to wisely use the gifts you have so generously given us.*

*May we share our talents and resources so that the least and the greatest will know God's justice and bounty.*

Dear Families

As we come to the end of the term, I would like to thank all students, parents and families who have contributed to the success of various events, tasks, and celebrations throughout the term. Well done to the students who have worked hard and accomplished great things!

Thank you to the dedicated and committed staff who once again show that they are a talented, committed and professional team. I think we have all earned a holiday! As this is our final newsletter for the term and as we head towards Easter, the most significant time of our Church's Year, I wish you a restful break and a blessed and joyous Easter! Please note that Term 2 will begin for staff and students on Monday 29 April.

## WINTER UNIFORM

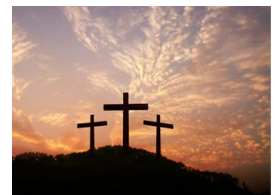

As we will be returning to school in slightly cooler weather the students will be coming back to school looking crisp and smart in their winter uniforms, as outlined in the Uniform Requirements information on the following page. The document lists all uniform requirements for our Year one to Year Six students. I thank all parents and carers for their support in making sure the students return to school fully 'kitted out' for the winter months.

## KINDY 2020/2021

I am currently completing the Kindy 2020 interview process and I urge you to contact the office if you have a child who is eligible to attend Kindy in 2020 and who has not yet been enrolled. The numbers are filling very fast so it is imperative you contact the office, immediately, if you have not enrolled your child for Kindy 2020. We have also been calling for 2021 Kindy enrolments so if you have a child who will be eligible for Kindy 2021 contact Karen Rosser, our Enrolment Officer as soon as the new term begins.

Wishing you God's blessings as we journey towards Easter.

Mrs Andrea Millar

# A MESSAGE FROM THE ASSISTANT PRINCIPALS

## **Interschool Swimming Carnival**

The Liwara Interschool Swimming Team very ably represented the school at the Northern Independent Primary Schools Association Swimming Carnival on Friday 29 March. There were many outstanding individual performances in the pool, including a complete domination of the Year 6 boys section where all events (breaststroke, backstroke, freestyle and butterfly) in all 4 divisions (A-D) were won by our boys. Well done to all competitors for their outstanding efforts.

Even more pleasing was the feedback received from members of the wider community in relation to the '*outstanding manners and sportsmanship*' shown by our competitors, between themselves and towards their rivals.

Congratulations to all involved - you have a great deal of which to be proud.

## **Praying the Rosary in May**

The month of May is dedicated to Mary, the Mother of Jesus. During May at Liwara there will be a weekly praying of a Decade of the Rosary in the Library each Wednesday, commencing on May 3rd at 8.20am. All staff, students and parents are welcome to attend.

## **Project Compassion Boxes**

If not already returned, Project Compassion boxes can be returned via your child's class teacher or the Front Office in the first week of next term. On behalf of Caritas we can say that your donations are truly appreciated and will be well used to benefit those less fortunate than ourselves.

## **Opening of Term Mass**

There will be an Opening of Term Mass, prepared by the Year 6 students, celebrated at All Saints Church on Friday 3rd May commencing at 9am. All are welcome to attend this celebration.

## **Liwara Running Club**

Liwara Running Club will start again next term commencing on Tuesday April 30 and will run each Tuesday and Thursday morning on the school oval commencing at 8.00am for 20 minutes. All students are welcome to attend.

## **First Reconciliation**

Congratulations to all the Year 3 students who made their First Reconciliation last weekend. Father Elver was very impressed with your willingness to admit to your mistakes and be sorrowful for the hurt you may have caused. May you continue to see Reconciliation as an opportunity to restore your relationship with Jesus for the times when you weren't at your best.

## **Holy Week Reflections**

Well done to all classes who lead us in reflection on the events of Holy Week during this last week of term. Although Easter is still a week away, we ask that during the holidays, you remember and reflect upon the events that lead up to Christ's Resurrection and the sacrifices he made during that time.

## **Term Two - Winter Uniform**

From the beginning of Term Two, all students are expected to be in Full Winter Uniform. This includes black school shoes (formal) not black sports shoes or runners. See page 2 of this newsletter for details.

# VISUAL ARTS

Our planning and learning in Visual Arts comes directly from the Western Australian Curriculum.

Lessons include Visual Art elements such as line, texture and value, as well as various artists and art movements.

Respectful cross-curricular links are made with Aboriginal and Torres Strait Islander histories and cultures, past and present. Particular histories and traditions of Asian cultures are also studied. Through making and responding in the Visual Arts, Liwara Catholic Primary School students consider the issues of sustainability in relation to resource use. Information technology is an integral part in the facilitation of our students' learning.

# WALK FOR WATER

The Social Justice Ministry organized a 'Walk for Water' to make the students aware of the people who have to walk many kilometers to get water for survival. The students carried a bucket or water bottle around a marked path. They began on the oval, where we spoke with children about the challenges some people face to get clean water, we then walked through the undercover area, past the Ahern Center, around the top of the school and then past the year six courtyard and down the ramps back to the oval. At the end of the two laps around the school, we gathered on the oval, where we gave out mini quote cards that will remind students that water is precious. We did not waste our water in the buckets, many gardens around the school were watered.

The day was a success and we were all tired at the end. We were so happy that everything went as we planned. Thanks everyone for participating in the 'Walk for Water'.
