KINDY GRANDPARENT'S DAY GROWING AND CHANGING PRAYER

Seed....from the stillness.... stirs the awakening the coming to birth...the harvest emerges from the tiniest seeds planted.....bursting forth with goodness and new life.....

Lord you have planted seeds of love

Soil...the nourishing womb for the seed...hidden within the soil...our sense of origin... our dependence....the rich fertile ground....the tender source of nourishment....the grounding support of accommodating growth.....

Lord you have planted seeds of love

Water...the precious element activating...sustaining...quenching...soaking and life giving...immerse us in the flowing waters of mercy..... of compassion...of new life...

Lord you have planted seeds of love

Dear Families

Welcome to the end of Week 3, Term 2. We have had a busy start to the term with many great things happening around the school. As the weeks go by, life at Liwara continues to be busy but very fruitful.

Last week I had the privilege of attending the Catholic Primary Principals Conference with keynote speakers Tracey Toduhama-Espinosa (PH.D) , Educational Researcher who spoke about the mind, brain and education science. She is a Professor at Harvard University where she teaches the Neuroscience of Learning. Through her work she ".....seeks to improve the quality of education through research, teacher training, and student support. Her current research focuses on the integration of mind, brain, and education science into teachers' daily practice and professional development; changes in preschool math and pre-literacy skills,.... multilingualism; and the leveraging of technology to enhance learning outcomes...." If you would like to know more about Tracey's work click on the following link: www.thelearningsciences.com

The P&F and the Fair Committee are going full speed ahead with the planning and preparations. The Craft Group have been gathering and creating and some of their items are available for purchasing already! They have sturdy and vibrant library bags for sale in the library for \$10.00 each which are fully lined with water retardant lining and some exciting beeswax food wraps and pouches so we can continue our journey to a sustainable future, replacing non-biodegradable plastic food wrap and containers. Beeswax wraps and pouches can be re-used for up to a year and are wiped clean simply with warm soapy water. The pouches are perfect for the children's 'Crunch & Sip'. The beeswax products are available from the front office @ \$5.00 each.

OUR MISSION

We gather as a community of believers in a Catholic environment to develop in each child a sense of wonder of learning.

With the essential support of parents, our Mission is ***to empower children to be faith filled, confident and fully rounded, life-long learners.***

OUR VISION

Our Vision is a community with strong connections where every student has a sense of belonging, feels safe and is known by name and need.

As our motto suggests, we strive to be a place of ***Strength in Community.***

NAIDOC WEEK CELEBRATIONS

Our school community celebrated NAIDOC Week on Tuesday 30 July. The Liwara GECKOS Team planned activities to highlight, preserve and celebrate the richness of the Indigenous culture. The celebrations began with a 'Welcome To Country' by Dr Simon Forest followed by activities:

1. **Waabiny Time**—tabloid games
2. **Waabiny Time**—video in the Ahern Centre
3. **Walkabout** (Treasure Hunt) - A guided walk through the school stopping along the way to record findings.
4. **Handprints** - to be displayed in the Ahern Centre

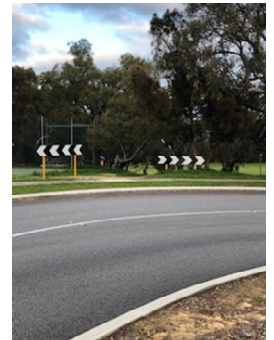

CHEVRON BOARDS

After months of discussion and correspondence with the City of Joondalup, Jessica Stojkovski, member for Kingsley, was instrumental in organising the installation of the recently placed Chevron Boards. The boards are situated to face approaching traffic on Orkney Road to assist with night time operation. Jessica will be coming out in the next few weeks for a photo shoot near the boards to highlight the improved safety for our students in this area.

God Bless

Andrea Millar

Excerpt from CEWA Languages Advisor Marisa Schiavi's letter to Language Teachers.

Today I would like to start the day by celebrating our achievements in Languages Education. Our amazing Italian Teacher, Rosaria Rossi (Liwara Catholic Primary School—Greenwood), has been running an immersion Italian program at Liwara Catholic Primary School for several years now with excellent results. In her program, she promotes the connections between language, culture and the arts and she looks at cross-cultural links including exploring Aboriginal Arts with her students. Rosaria Rossi is always keen to share her experience and ideas with others so please don't hesitate to contact her if you'd like to find out more. In the meantime, I'm attaching a lovely article that was written about Rosaria's work in the National Italian Newspaper "Il Globa". Thanks for sharing with us Rosaria!

"L'Arte" di imparare la lingua italiana con Rosaria Rossi

PERTH - 'Italian Art Immersion' è il programma pilota che stanno seguendo alcune classi della Liwara Catholic Primary School di Greenwood, sobborgo di Perth. Introdotto nella scuola elementare nel 2017, in realtà è stato presentato per la prima volta dall'insegnante di lingua e EALD (English as Additional Language or Dialect) nel 2013 presso la St Helena Catholic Primary School.

Una volta a settimana, per circa 50 minuti, gli studenti dell'Anno 4 fanno un'immersione d'arte in lingua: ricevono gradualmente le consegne in italiano e l'apprendimento di diverse tematiche avviene attraverso un progetto creativo specifico. Anche tutti gli elementi artistici collegati al lavoro e il vocabolario pertinente vengono spiegati in italiano con l'inserimento a ogni lezione di menzioni a concetti culturali.

Tra i lavoretti realizzati finora, come ci spiega Rosaria, ci sono state scale cromatiche di tonalità calde e fredde: su ogni striscia di carta colorata i ragazzi hanno scritto delle frasi che li descrivono e le hanno poi composte assieme. Un'attività che ha riscosso un certo successo è stata la riproduzione di un paesaggio australiano utilizzando colori, corteccia, foglie e altri materiali naturali rinvenuti nei pressi della scuola a cui sono stati poi aggiunti colori. Sono state anche realizzate delle ciotole utilizzando stoffe, nastri e colla e che sono state accompagnate da didascalie in italiano.

In linea con il piano di studi statale del WA, vengono fatti anche collegamenti con l'arte aborigena, un elemento che dà ulteriore rilevanza al programma. Non mancano, come già sottolineato, continui

riferimenti culturali - e che rispondono alle competenze richieste dal curriculum - a icone quali Venezia e il Carnevale, le gondole e le maschere; la Torre di Pisa; il Colosseo e molto altro ancora. Rosaria usa anche canzoni come spunto per i progetti: brani come *Ci vuole un fiore* vengono fatti ascoltare agli studenti che possono così migliorare la comprensione orale, la pronuncia e la grammatica italiana e, allo stesso tempo, mettere in pratica le nozioni acquisite con la propria interpretazione della canzone.

Il coinvolgimento degli studenti nell'apprendimento è maggiore con queste tipologie di attività, fa notare la docente, dal momento che vedono uno scopo preciso per lo studio dell'italiano. Ad accrescere sono anche la soddisfazione e l'orgoglio per il proprio lavoro.

Rosaria Rossi con Sarah Richards, studentessa della classe di Immersione di arte in italiano dell'Anno 4

A MESSAGE FROM THE ASSISTANT PRINCIPALS

TERM 3 LIWARA FAMILY MASS

Term 3 Liwara Family Mass will be held this Sunday 11th August in the All Saints Church at 9.30am. All families are encouraged to attend.

CONFIRMATION COMMITMENT MASSES

All Year 6 students, who are receiving the Sacrament of Confirmation later this term, are expected to attend a Parish Mass on the weekend of 10th/11th August at either Sat. 6pm, Sun. 7.30am, 9.30am or 5.30pm to express their commitment to the preparation for the Sacrament.

FEAST OF THE ASSUMPTION

All students will be attending the 9.00am Parish Mass on Thursday 15th August to celebrate the Feast of the Assumption, which is a holy day of obligation.

WHOLE SCHOOL PRAYER

Whole school Prayer will be hosted by Year 4 in the All Saints Church at 2.40pm on Monday 19th August. All are invited to attend.

CERTIFICATE ASSEMBLY

Today there will be a Certificate Assembly 9th August commencing at 2.30pm in the Ahern Centre. All are welcome to attend.

UNIFORM SHOP NEWS

We have some extra stocks of rain jackets available if you missed out on ordering one.

FREE WACA CRICKET CLINIC

As advertised in Skoolbag, the WACA will be hosting a free Cricket Clinic on the school oval at 3.30pm on Tuesday 20 August for any Year 1 to 6 Liwara student, boy or girl, who would like to attend. This will be run by WACA staff and there will be prizes and giveaways. To enrol, parents are asked to advise, in writing, their child's class teacher of the intention to attend by Tuesday 13 August. Please note that this is not a school event and therefore will not be supervised by school staff.

Tuesday 24 March 2020

This will be a half-day due to Parent-Teacher Interviews.

Students will need to be collected at 12.00pm.

There will be no lunches available from the canteen.

More information will be advertised early next year.

The Anxious Kids Seminar is coming to Perth

Society is in the grip of an anxiety epidemic. One in fourteen kids are diagnosed with an anxiety disorder, and many more go unnoticed. Parents and teachers play a critical role in helping kids to recognise and manage their anxious feelings.

Parenting expert, award-winning speaker and author of 11 books Michael Grose, together with wellbeing expert and researcher Dr. Jodi Richardson will be touring across Australia and New Zealand to present their evidence-based approach to managing kids' anxiety. Here they will speak about the tools and strategies for helping children outlined in their recently released and highly acclaimed book *Anxious Kids*.

This is your chance to hear from the authors of the acclaimed book *Anxious Kids*, in a skills-rich seminar full of actionable steps and take-home ideas.

Anxious Kids Seminar Tour

Date

Wednesday
21 August 2019

Time

7pm - 9pm

Location

Christ Church Grammar School
Queenslea Drive Claremont

Tickets

🎫 \$39.95

Who is this seminar for?

This seminar is ideal for parents, carers, teachers and other professionals who work with children.

You can learn:

- The origins of anxiety and how it impacts on children and teens
- How to respond constructively when a child or teen is anxious
- Tools to teach kids to help regulate their anxiety
- The lifestyle factors you can enhance to minimise anxiety
- Why avoidance of anxiety-inducing events is not the answer and what to do instead
- How to create a wellbeing plan for your child or young person

About the Presenters

Michael Grose and Dr. Jodi Richardson are co-authors of the highly-acclaimed new book *Anxious Kids: How children can turn their anxiety into resilience*.

Michael Grose is one of Australia's leading parenting and educational writers and speakers. Michael supports schools across Australia and internationally to build strong partnerships with their parent communities.

Dr Jodi Richardson is an expert on anxiety, through extensive studies and personal experience. She has spent more than 25 years in the field of health, wellbeing, clinical practice, elite sport and education.

Sustainable Living

What an exciting week! The new Year 6 Green Team has been formed and we welcome the new Environment Ministry – Molly W, Xavier, Thomas, Jett and Jayda and the new Garden Gurus – Jake and Cody to our school's sustainability program for second semester. We have lots of exciting plans for Terms 3 and 4 in sustainability including worm farming, mulching, growing seasonal plants and more. We are very excited to introduce our newest Liwara sustainability initiative with the company Greenbatch. We are now recycling type 1 and type 2 plastics, as well as aluminium cans, at Liwara in our new purple and green recycling bins pictured on the left. The bins are located on the path outside the Visual

Arts Centre and in the Undercover Area. Students can drop their bottles and cans into these bins on the way to their classes each morning.

Type 1 PET (polyethylene) Plastics include transparent plastic containers such as cool drink and juice bottles as well dressing and water bottles, pictured below. Please encourage students to rinse these containers and then remove the lids. Lids are usually made from Type 5 plastic that Greenbatch won't recycle but, they may be placed the in your yellow lid household recycling bins. Bottle caps are recycled elsewhere in Australia.

Type 2 HDPE (High Density Polyethylene) plastic containers, pictured below, may be coloured or translucent and include milk containers, some juice containers and other plastic containers that are used in the bathroom and laundry such as shampoo containers, health food and medicine bottles and spray bottles. Again, Type 2 containers also need to be washed and brought to the purple Greenbatch recycling bins at school minus their lids, unless the lids are made from Type 2 HDPE.

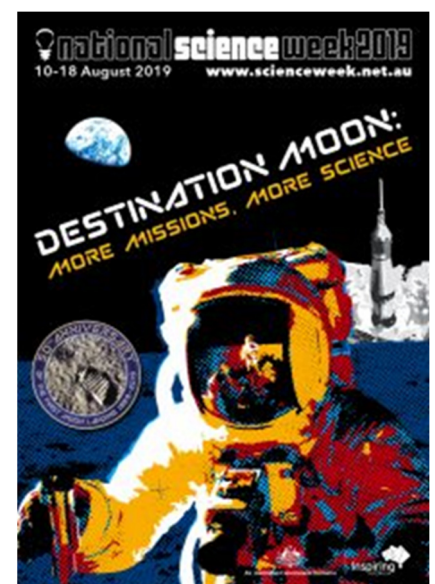

We encourage Liwara students to begin bringing in their rinsed plastic bottles (minus their lids) made from Type 1 PET and Type 2 HDPE. Once bins are filled, we will contact Greenbatch to collect our bags and in the future as this initiative becomes self-sufficient, Liwara will have the opportunity to collect 3D printing ribbon that is made from recycled bottle plastic. We thank our generous P&F for their support of this new recycling initiative at Liwara and hope our school soon sees the benefits from supporting Greenbatch.

Keep recycling and have a great week!

Warm regards, Mr Greenhill

SCIENCE WEEK

Week Four is Science Week! The theme this year is Destination Moon: more missions, more science. Children will be completing activities during their Science lesson next week to fit with this theme. Photos of the exciting activities will be published in the next newsletter and on the School Website.

Pre Primary Class News

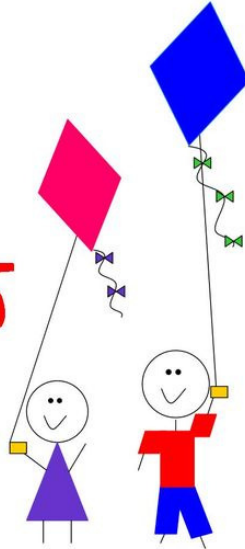

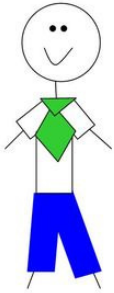

LEARNING IN PRE-PRIMARY

We have been doing lots of learning in Pre-Primary this term. We have learnt the 'ch' and 'sh' sound in our phonics lessons and activities. We made a 'hatCHing CHick' and a 'SHark' for these sounds. We also learnt about Uluru and why it is important to the Aboriginal people. We looked at an Australian map and located Uluru. We spoke about the colours of the desert and what was around Uluru.

Happy
Father's
Day!

**FATHERS DAY
BREAKFAST**

2019

**FRIDAY 30TH
AUGUST**

Dear Dads, Grandads, Step-Dads, etc.

*You are invited to attend the Liwara Fathers' Breakfast on
Friday August 30th, from 7:30 to 8:30am in the Undercover Area.*

*It would be great to see as many dads, grandads, stepdads or other significant
males, join us for this celebration.*

*Please fill in the reply slip below if you will be attending and return it through your
child's class note-basket by Friday 23rd August.*

Failure to respond makes catering extremely difficult.

*School age children are welcome to attend the breakfast, if accompanied by an
adult.*

LADs (Liwara Awesome Dads Society)

Coordinator – Craig Byrne

Thank You!

Huge thanks to Henriette Francesconi for all of her effort in running the very successful Lion King Fundraiser which raised over \$670 for the school!

Equal thanks goes to Stephen McVay & Craig Byrne for running the Bunnings Sausage sizzle which raised \$1375!

Your contributions are highly valued and appreciated by everyone!

Do you know anyone who has been involved in the Liwara Fair in some way over the last 40 years? We're creating a commemorative quilt celebrating our amazing community spirit and would love to have as many "Old Liwarians" involved as possible. Please email liwaracraft@gmail.com to get involved.

Jars Needed

Donations of glass jars with lids for the School Fair can be dropped off at the office.
