**Wisdom** helps us to recognise the importance of others and the importance of keeping God central in our lives.

**Understanding** is the ability to comprehend the meaning of God's message.

**Knowledge** is the ability to think about and explore God's revelation, and also to recognise that there are mysteries of faith beyond us.

**Fortitude** is the courage to do what one knows is right.

**Piety** helps us pray to God in true devotion.

**Counsel** is the ability to see the best way to follow God's plan when we have choices that relate to Him.

**Fear of the Lord** is the feeling of amazement before God, who is all-present, and whose friendship we do not want to lose.

I know many in our community have been curious about what has been 'going on' behind the blue tarps outside the Library for the last few weeks. The pictures below reveal all! I believe most of you would have had the opportunity to see the newly painted steps, first hand, at the Learning Journey on Tuesday evening. The talented artist, Myra Yelland, has been working her magic by creating life sized book spines of some of our favourite children's books and what an amazing job she has done!

### OUR MISSION

We gather as a community of believers in a Catholic environment to develop in each child a sense of wonder of learning.

With the essential support of parents, our Mission is **to empower children to be faith filled, confident and fully rounded, life-long learners.**

### OUR VISION

Our Vision is a community with strong connections where every student has a sense of belonging, feels safe and is known by name and need.

As our motto suggests, we strive to be a place of **Strength in Community.**

## Developing independence in primary school

By Michael Grose

*Practical ideas for parents to encourage real independence in children.*

Your goal as a parent should be for your child to be completely self-managing by the end of primary school. That is, he can get himself and others up each morning; make his own breakfast; prepare his own schoolbag; collect his own school uniform; put any notes under your nose to be signed and returned to school; and so it goes on. Now, that doesn't mean that kids will do all this all the time, because other factors come into play such as busy schedules and early starts; children will need some assistance at times. However, it's good to keep in mind that children, when left to their own devices, generally do remarkably well at organising their daily tasks. Sometimes they just need the opportunity. Here are four practical ways to develop real independence in primary school-aged children:

### 1. Involve them in mealtimes

Mealtimes are the fulcrum around which healthy families operate. A shared meal is more than food. It's a ritual that binds people together; it's a vehicle for parents to influence their children; and it's an expression of love and care. It is also fundamental to children's wellbeing because there is a strong correlation between good mental health in young people and those who regularly share a family meal. Mealtimes also offer plenty of opportunities for children to help including running errands, preparing the meal, setting the table, clearing the table, packing the dishwasher and other jobs. There's something for everyone!

### 2. Use pocket money to develop independence

A regular allowance is a fabulous way to promote real independence in children. Start in lower primary school and gradually increase their allowance the older they become. Importantly, you need to increase the areas that their allowance covers. For instance, in lower primary school a child's pocket money might go towards the purchase of some sweets and one or two other items each week. However, in middle primary school it might increase to cover the cost of one or two lunch orders each week, their bus money and some treats. In later primary school it could even cover some of their clothing purchases as well. The important thing is not to cover for kids if, for instance, they don't budget appropriately and run out of money for school canteen lunches. They can either make their own lunches at home or perhaps borrow from a sibling and repay out of their next allowance. Pocket money used well is a fantastic way to develop independence in kids.

### 3. Look after pets

It's a quirk of life that most children want a pet, but they just don't want to look after it in the long term. Many kids discover that following the initial flush of enthusiasm looking after a pet can be a grind – walking the family pooch, cleaning out the guinea-pig cage, or feeding the family feline. But pet care offers priceless lessons in the development of grit, responsibility and nurturance – all necessary attributes for independent success.

### 4. Walk, ride or take public transport to school

The opportunity to go to school on your own devices was a luxury that previous generations enjoyed. While it may have seemed at the time like something to be endured rather than enjoyed, most people I discuss this matter with look back with fondness and nostalgia. For most people it meant freedom, friendship and fun. For a short time each day kids experienced a delicious type of freedom away from both teachers and parents – a time to muck around, dawdle and mess around with mates. It also gave kids some familiarity with their neighbourhood.

It's well established that currently more children are driven to school than ride or walk, which denies children the same opportunity for friendship, fun and freedom. Busy schedules, less child-friendly neighbourhood layouts and working parents are just some of the reasons that prevent kids walking to school. If possible, look for ways to allow your child to get to school on their own. It's fantastic for their independence and wellbeing. If children are too young, walk or ride with them some of the way until they are old enough and skilled enough to make the trip without you.

### The age of opportunity

Children in this stage have an outward orientation and are exploring their place in the world. This is an age and stage for greater neighbourhood exploration, for taking on real responsibility and for developing personal confidence and efficacy before adolescence starts.

## CECWA Policy Development - INVITATION FROM OUR EXECUTIVE DIRECTOR DR DEBRA SAYCE

Our Executive Director, Dr Debra Sayce, wishes to invite students, parents, staff and members of our school communities to contribute to the CECWA Policy Development Process via participation in facilitated sessions at the office in Leederville. If you are interested please register directly online for a session and take your children along. See information below:

### An Invitation to Have Your Say

The Catholic Education Commission of Western Australia (CECWA) is reviewing our system policies supporting our 75,000 students and 12,000 staff in 162 schools.

We invite all students, parents, CEWA staff and members of your community to help by telling us:

What makes a good Catholic school?

Facilitated sessions will take place at our Leederville office. You can book your preferred session time online and choose from:

- Early Years LOFT Sessions (for Pre K—Year 4 Students and their Family)
- Open LOFT Sessions (Years 4—12 Students, Families, Staff and Community)

During the school holiday sessions, participants will also help to create a mural alongside local artist Linzi Carter. This is an evolving creation, whose form will develop with each session.

We welcome you to participate in this unique opportunity to have your say on the future of our schools.

For more information and to register for a session see: <https://www.eventbrite.com.au/o/loft-catholic-education-western-australia-20262532767>

## PERFORMING ARTS FESTIVAL

The Performing Arts Festival for Catholic Schools & Colleges in Western Australia was established to help the students of Catholic schools and colleges experience the spirit and tradition of the performing arts.

The Festival seeks to provide students with specific 'performance platforms' where they have the unique opportunity to give of their very best and perform to a public audience. Open to both primary and secondary school students, the performance categories encompass choral, drama, musical, instrumental, vocal and dance aspects of the performing arts. Approximately 18,000 students enter the festival each year.

Last week our talented Liwara Junior Choir participated in the Primary Choral Singing section of the Performing Arts Festival with their selections of "Can You Hear the Children Marching and Old Man Platypus". Their renditions were received extremely well by the adjudicators who gave them very good scores in all areas. A quote from the adjudicator, "Very good performance from children of this age. Their diction was particularly impressive. Well done children—keep singing".

Congratulations and well done to our talented Junior Choir, our solo performers, Sofia Rippingale, Sienna Mullane (Primary Vocal Solos), Sofia Rippingale, Sienna Mullane (Primary Vocal Duet), Emaleah Burns, Jalyn Klijn-Francesconi, Madison Greenhill and Sarah Thorsen (Instrumental Solo—Woodwind), Ben Perkins, Sarah Richards and Ashleigh Thorsen (Guitar), and of course to Mrs Keegan and the tutors.

Now it's time for a well earned rest from performances and rehearsals....until 2020!

**SCHOOL CLIMATE SURVEY** A reminder to all our community members to participate in the School Climate Survey. The information has been sent out through SkoolBag so please take this opportunity to have your say about the climate in our community. Survey closes Thursday 26th September.

To respond to the PaCS at Liwara Catholic Primary School in 2019, Parents go to [www.NSIPartnerships.com.au](http://www.NSIPartnerships.com.au) and enter the code LG2019P in the Start Questionnaire field

## Parent and Caregiver Survey (PaCS) – Parent Voice

You are invited to participate in a survey about your school's climate. Similar surveys will be administered to staff and students to enable us to capture a community snapshot.

All responses are confidential and will be used for school improvement purposes.

Completion of the survey is on a voluntary basis.

### Your confidentiality

To protect your confidentiality all surveys are anonymous. All answers go directly to the National School Improvement Partnerships, where the results are analysed for your school. Answers from individual surveys will NOT be reported back to the school. Staff of the National School Improvement Partnerships staff are bound by a Code of Ethics and follow strict professional conduct.

### Use of the data

National School Improvement Partnerships will report the results to the school in an aggregated format so that individuals cannot be identified. To enable drill-down reporting, the information provided to the school will contain data based on background information.

### How to complete the survey

You will be asked whether you are completing the survey for an individual child or as a family. If the experiences of your children are similar, then responding once will suffice. If, however, your children are experiencing very different learning environments then you might want to answer separately for each child.

The survey contains statements about practices which could take place in this school. For each statement, you are asked to indicate how often the statement takes place.

There are no 'right' or 'wrong' answers. Your opinion is what is wanted.

Please be sure to answer all questions.

Some statements may be fairly similar to other statements. Don't worry about this. Simply give your opinion about all statements.

Please go to [www.NSIPartnerships.com.au](http://www.NSIPartnerships.com.au) and enter the access code provided by your school.

If you require more information or have any questions, please contact the NSI Team.

Email: [NSITeam@NSIPartnerships.com.au](mailto:NSITeam@NSIPartnerships.com.au)

Your time and consideration are much appreciated.

# Sustainable Living

It has been a wonderful fortnight of sustainability at Liwara. Enthusiasm for our Greenbatch recycling program has increased since our talk from the Greenbatch presenter Rachel Hughes, pictured below. Rachel's talk informed students and parents of the way the Greenbatch program works.

Did you know that a lot of the plastics we put in our yellow recycling bins at home, are not even recycled and simply ends up as landfill in WA? By supporting the Greenbatch initiative at Liwara we can make a difference.

Thanks to all those parents who have helped their children to wash their Type 1 PET, Type 2 HDPE and Aluminium cans before placing them in the Greenbatch bins. As you can see in the photos, last week we had collected only two bags of recycling for Greenbatch. Due to the overwhelming support of our Liwara community we now have four bags. When we reach six, we shall send the bags off to Greenbatch for recycling!

One bag, then two and now four bags of recycling being stored outside our new Waste Wise Sustainability shed. Keep recycling Liwara! Our actions locally speak globally! Together we make a difference!

**Tuesday 24 March 2020**

**This will be a half-day due to Parent-Teacher Interviews.  
Students will need to be collected at 12.00pm.  
There will be no lunches available from the canteen.  
More information will be advertised early next year.**

## LIWARA RUNNING CLUB

Over 200 children participated in Running Club this year with total distances of up to 70km being achieved. Well done to all involved and many thanks to those parents who assisted, particularly on those cold mornings. Bronze, Silver and Gold Certificates for significant participation in the Running Club will be awarded to students in class this week. Medals for the boy and girl runners in each year level, who ran the greatest distance, will be awarded at the Athletics Carnival.

## LIWARA ATHLETICS CARNIVAL UPDATE

The Liwara Athletics Carnival will be held on Wednesday 25<sup>th</sup> September on the school oval commencing with tabloid team events at 9am. Track events will commence after recess.

An outline of the program was sent out with the children earlier in the week with the following information:

Students are to wear their **faction coloured shirt** with the Liwara Sports Uniform.

Subway lunch pre-order will be available courtesy of the P&F.

Students are not allowed to sit with parents during the carnival – only during breaks.

Parents are asked to stay away from the finish line as this creates congestion and confusion for the athletes.

Parents are asked to refrain from nearing or crossing the track at any time.

All decisions made by the Chief Judge are final and no disputes will be entered into.

Parents requiring their child to be collected after the carnival by another parent must notify the class teacher in writing.

A copy of the **Carnival Program** will be forwarded via Skoolbag early next week.

The P&F are coordinating a **Subway lunch order** for any interested parties. Order forms were distributed earlier this week and are due in by Friday 20<sup>th</sup> September to class teachers.

The results of the last of the pre-carnival events are as such:

# Year 1 Class News

We don't know if you all know...but we are learning about superheroes in Year One. This term we performed our assembly to show off all our learning to the whole school and our families too. It was awesome!!! We also celebrated Book Week with a visit to the Duncraig Library to learn about puppetry from Spare Parts. All term, we have all been working very hard to share our super learning with our families on our Learning Journey. It was great to have our parents come in and see what we get up to at school. We have been dancing up a storm in our Footsteps Dance program. Can't wait to show you our amazing moves. It has been a very busy term and we are well and truly ready to take off our masks and capes and rest for the holidays.

LIWARA CATHOLIC PRIMARY SCHOOL  
PARENTS AND FRIENDS ASSOCIATION

13 September 2019

Dear Pre-Kindy, Kindy and new families to Liwara,

Our annual Liwara Fair is being held on Friday 8<sup>th</sup> November from 5-9pm and this year we are celebrating the 40<sup>th</sup> year! You will soon start seeing Fair flyers, newsletters and rosters posted around the school, coming home with your child, on our P&F Private Facebook page and on Skoolbag.

For some of you this will be your 1st Liwara Fair. The Fair is a fantastic community event that is run entirely by parents and is our biggest fundraiser. We are very proud to have raised money for projects around the school, including the Nature Play areas, air conditioners, shade sails, kindy equipment, reading books and water coolers over the past few years.

Offering half an hour of your time on a stall is the best way to get involved. Buddy up with a Kindy parent and be a part of the spirit of Liwara. Your help is greatly appreciated. Thank you to those who have already embraced our Fair. All stalls have a stall co-ordinator who will guide you in what to do.

If you can help, please contact our Stall Coordinator, Tess Mak, on 0430 927 696 or email [liwarafair@gmail.com](mailto:liwarafair@gmail.com). Live Google Doc rosters will be available on the Facebook page or via your class contact soon.

# Liwara's 40th Fair

## Friday 8th November

The countdown is on to our annual Liwara School Fair!

This year we celebrate 40 years of the Liwara School Fair. The Fair Committee is hard at work making this a special one but we need your help...

**7 weeks to go!!**

## How can you help?

If you would like to help with the Fair but are unsure of what to do, please contact Tess Mak on 0430 927 696 or email [liwarapf@gmail.com](mailto:liwarapf@gmail.com).

There are so many ways you can help, from being a stall coordinator, stall helper on the night, set-up/pack-up, cooking or making items to sell for craft or cake/ gourmet/cafe stalls, donating items such as plants, lollies, ingredients, raffle items and prizes .

Live Online rosters will go out soon via class contacts and Facebook, so be sure to pop you name down. Just half hour of your time on the night is greatly appreciated and allows all families to enjoy the Fair.

# YOUTH MINISTRY

## YOUTH MINISTRY GOALS & RESULTS

**Youth Group Attendance Goal: 20.** This was achieved as there was 21 youth in attendance!

**Youth Group Content Goal: For the youth to understand how they can live out the work of visiting the sick.** This was achieved as we [Francis Barr](#), the chairman of the Parish Council, come in and give a great talk on the ministry that he does in hospitals, and how the experiences of his life have helped shaped him into wanting to give and serve others.

**To build relationships between the youth and the Youth Mission Team.** This was done through free time, games and activities through the night and allowing the YMT to come into the youth group and engage with the youth and promote their events.

## YOUTH GROUP TALK / FOCUS

**“Visit the Sick”** – Francis Barr

We had Francis Barr come in and talk about the work that he does in hospitals, with visiting the sick, distributing communion and just being there for them so that they have someone to talk to.

It was really inspirational the work that he does and the background that he comes from and it was amazing to hear such a story at youth group

## NEXT YOUTH GROUP THEME

This week the youth group will look at “Visit the Imprisoned.”
