Be With Me Today , O Lord

May all I do today begin with you, O Lord.

Plant dreams and hopes within my soul, revive my tired spirit:

Be with me today.

May all I do today continue with your help, O Lord.

Be at my side and walk with me: Be my support today.

May all I do today reach far and wide, O Lord.

My thoughts, my work, my life: Make them blessings for your kingdom:

Let them go beyond today.

Dear Families,

Welcome to Week Six of Term 4. Thank you to our Parents and Friends and the entire parent community who worked tirelessly to create our incomparable 40th Anniversary Liwara School Fair. A very special thank you to the Fair Committee, working alongside the teams of diligent workers, the stall coordinators, money counters, chefs, electrician, entertainment providers, school staff, the set up and set down crews and the dozens of other helpers. An enormous amount of hours have been spent in providing a large range of activities, stalls brimming with produce, exotic plants, white elephant items, gourmet food delights, the bar providing refreshments, games and so much more. The fair is a true reflection of 'Strength in Community' and it is an indication of the endearing community spirit that permeates Liwara.

OUR MISSION

We gather as a community of believers in a Catholic environment to develop in each child a sense of wonder of learning.

With the essential support of parents, our Mission is *to empower children to be faith filled, confident and fully rounded, life-long learners.*

OUR VISION

Our Vision is a community with strong connections where every student has a sense of belonging, feels safe and is known by name and need.

As our motto suggests, we strive to be a place of *Strength in Community.*

Communication has been sent home to all families regarding our upcoming Annual Community Meeting (ACM) on Monday 2 December. At this gathering you will hear summaries of the activities of the School Board and P&F as well as an overview of the many achievements the students and staff have been involved with this year. Your support is greatly appreciated. An invitation has also been issued for nominations to the School Board and P&F Executive for 2020. Membership of either group offers parents and caregivers the opportunity to serve the school community more fully and directly. This year, before the ACM begins in the Ahern Centre, we will be proudly showcasing some of our REACH students' work. I encourage you to wander through and enjoy their creative projects.

Congratulations to two of our staff members on the recent arrivals of their babies. Angela & Aaron Tedesco welcomed Lila Rose into their family, a little sister for Jaxon. Michelle & JJ Greene welcomed a new baby son JJ Junior a little brother to Chloe and Eva.

As we move towards the end of the school year, we are receiving enquiries about possible student enrolments for 2020, so it will be greatly appreciated if any families not returning to Liwara in 2020 would notify the school office by the end of this week. Whilst we are always sad to say farewell to members of our community, we are also happy to be able to welcome new families in.

A MESSAGE FROM THE ASSISTANT PRINCIPALS

PRE-PRIMARY NATIVITY

The Pre-Primary classes will perform their Nativity Play for the whole school on Friday 22nd November commencing at 9.00am in the Ahern Centre.

CERTIFICATE ASSEMBLY

Our next, and final Certificate Assembly will be held on Friday 29th November commencing at 2.30pm.

CELEBRATING 40 YEARS OF THE LIWARA FAIR

There is no better living example of Liwara's motto 'Strength in Community' than the P&F Fair. For the last 40 years, members of the Liwara community have come together to create an amazing event which has become famous in our region – all for the benefit of the school and our students. To celebrate the 40th Fair, we wanted to create something which recognised not only the fantastic work of the P&F, but also acknowledged the thousands of volunteers who have had such an impact on Liwara.

As members of the current crafting group, we asked for Alumni to help us create a quilt which represented the Fair. When we got together, it became clear that the Fair hasn't actually changed much over the last 40 years – there are iconic stalls which have stood the test of time: food, books, the fishing game, white elephant, plants, chocolate wheel, the bar and of course the lollies! But it goes beyond that. It's also about the people. The friendships, the laughs, and the memories created – that is what makes the Fair, and indeed Liwara, so special.

We hope the quilt brings back happy memories for you, or if you're new to the school, is the beginning of a wonderful journey. A big thank you to the following ladies who helped create the quilt –we represent over 40 years of connection with Liwara.

Genevieve Rose (past teacher, parent to Ben, Jessica and Jordan, grandparent to Joshua, Aiden and Aiden, 1975 – 1978; 1984 – 1994; 2008 – 2010; 2015 – current)

Wheel Chairs for Kids

"I can't move I'm stuck on the floor I was born without legs"

Knock Knock

"Here is your wheelchair"

"WOW! Where did this come from?"

"Wheelchairs for Kids!"

"What's that?"

This week the Special Events Ministry went to Wheelchair for Kids to see what our donations have done to help people in need. We saw how the wheelchairs were made and also helped out with bending metal to make the handle bars for the wheelchairs. Volunteers make blankets and teddies to be packed into the boxes with the wheelchairs. We helped pack the chairs into the boxes.

People knit these blankets and make their own toys. They are then packed with the wheelchairs. In the box they also add 1 tennis ball and 1 toy with 2 hand knitted blankets. There were lots of photos around the workshop of children that had received wheelchairs. The expression on their faces shone with excitement.

In 2015, Brother Ollie and another volunteer went to Mongolia and purchased 40 tennis balls to give to the children in the villages. The children had never seen tennis balls. The volunteers couldn't believe the joy tennis balls brought to the kids and this is why they add tennis balls to all the wheelchairs they send.

Wheelchair for Kids is run by 300 local retired volunteers. They produce about 350 chairs per month. Liwara has donated a total of \$7393.40, allowing 47 wheelchairs to be built for children mainly in third world countries.

Wheelchairs for Kids was really fun, We enjoyed looking at all the ways they make wheelchairs. We saw a machine that tested the wheelchairs on a rough surface and flat surface at many different speeds. Altogether they have donated 45,504 wheelchairs to many different countries all over the world.

While we were there it was Remembrance Day. At 11am we were able to join the volunteers in observing 1 minutes silence and listened to one of the volunteers play the bagpipes.

CONGRATULATIONS TO MIA LEATHER

Mia recently competed in a Karate tournament, where she was awarded the Gold Medal in Kumite (fighting).

"It was really exciting. The scores were the biggest in our age group so far since the tournament started. I thought I would get out on the first round, but I made it to the last. I was so happy; I didn't know what to do." Mia

A huge achievement and a BIG congratulations from all of us at Liwara.

Tuesday 24 March 2020

This will be a half-day due to Parent-Teacher Interviews.

Students will need to be collected at 12.00pm.

There will be no lunches available from the canteen.

More information will be advertised early next year.

Sustainable Living

We have had another terrific week in sustainability. We are close to another pick-up of our Greenbatch recycling. Thank you to parents and students who have been vigilant in rinsing their aluminium cans, Type 1 PET and Type 2 HDPE plastic containers.

Important Announcement

As we endeavour to become a litter free, waste-wise school, we now ask students in every year level to take home all of their plastic waste. This includes all plastic containers, foil/plastic wrappers and cling wrap. We recommend all families collect these soft plastics and take them to soft plastic recycling bins at Coles or Woolworths, such as those pictured.

Coles plastic recycling bin

Recycling bin at Woolworths labelled "Plastic bags & packaging"

Even used squeeze yoghurt containers with caps on, can be recycled at Coles and Woolworths collection points. It has been wonderful to see that the vast majority of students bring their food wrapper free or in individual re-usable plastic containers. Mrs Millar has endorsed this change in our school. We shall continue to recycle cardboard and paper at school through SUEZ and collect food scraps to recycle in our worm farms.

Recycle packaging like this at Woolworths and Coles

Our Year 6 Green Team have been busy planting tomato seedlings and herbs, such as basil, which thrive as the weather gets warmer. Keep up the wonderful work Green Team!

Basil growing in our planter boxes

Keep working together Liwara because we CAN reduce our school's waste footprint!

Year 3 Class News

This term we have been very busy with a variety of activities to consolidate our learning.

Enjoying the sunshine, creating a board game.

We love the challenge of covering our hands while typing.

Let's discuss the main idea of this text.

Enjoying Reading Groups!

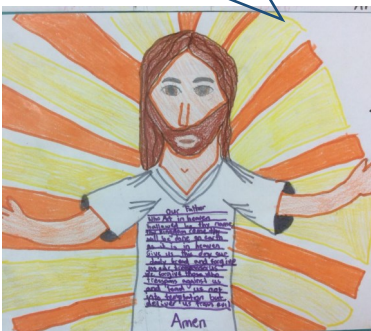

We love team work!

How do you stay healthy?

The Lord's Prayer.

Hard at work!

While researching our Australian animals, we learnt many interesting facts.

Learning about grid co-ordinates.

Our fraction follow along picture.

Spelling time on the whiteboards.

YOUTH MINISTRY

YOUTH MINISTRY GOALS & RESULTS

Youth Group Attendance Goal: 20. We had 17 young people join us last week.

Youth Group Content Goal: For the Youth to learn about the fruits of patience, gentleness and self-control in a fun and engaging way. This was achieved as we looked at the Hulk and how he shows these fruits. Our games and activities for the night were also aimed to achieve this goal.

To help out with the Liwara fair and build up relationships with the youth. This was achieved as we helped run a games stall at the Liwara fair which gave us the opportunity to connect with new and old youth.

YOUTH GROUP GAMES / ACTIVITIES

Balloon Toss

Patience Activity

YOUTH GROUP TALK / FOCUS

“The Hulk: Fruits of patience, self-control and gentleness” presented by Jaxen

3 Key Points:

Patience: It is not just about being calm and not acting on our impulses but to be considerate to the people around us.

Self-control: To have control over our urges, desires and emotions rather than letting them control us.

Gentleness: It is about knowing that we have the strength to do something but showing restraint any way in order to preserve peace and relationships with others, e.g. being gentle when playing with younger siblings.

NEXT YOUTH GROUP THEME

Spiderman-going out into the world
