	 Below is a brief description of the suggested movies for our pyjama and movie day. Please note that not all movies listed below will be watched during this OSHC session. The children will vote on their favourite movie to watch during our scheduled movie time after their lunch. Sonic the Hedgehog The world needed a hero, we got a hedgehog. Powered with incredible speed, Sonic The Hedgehog (voiced by Ben Schwartz), aka The Blue Blur, embraces his new home on Earth. That is, until he accidentally knocks out the power grid and sparks the attention of super-uncool evil genius Dr. Robotnik (Jim Carrey). Now it's super-villain vs. super-sonic in an all-out race across the globe to stop Robotnik from using Sonic's unique power for world domination. Sonic teams up with The Donut Lord, aka Sheriff Tom Wachowski (James Marsden), to save the planet in this live-action adventure comedy that's fun for the whole family. Detective Pikachu Aiding in the investigation is Harry's former Pokemon partner, Detective Pikachu: a hilariously wise-cracking, adorable super-sleuth who is a puzzlement even to himself. Finding that they are uniquely equipped to communicate with one another, Tim and Pikachu join forces on a thrilling adventure to unravel the tangled mystery. Chasing clues together through the neon-lit streets of Ryme City—a sprawling, modern metropolis where humans and Pokemon live side by side in a hyper-realistic live-action world—they encounter a diverse cast of Pokemon characters and uncover a shocking plot that could destroy this peaceful co-existence and threaten the whole Pokémon universe. Frozen 2 Anna, Elsa, Kristoff, Olaf and Sven leave Arendelle to travel to an ancient, autumn-bound forest of an enchanted land. They set out to find the origin of Elsa's powers in order to save their kingdom. 	<image/>
