

Welcome to 

XAP is comprehensive childcare family management system that enables families to add all the necessary information in the system while enrolling their children in an education and care service. You won't find another system on the market with the scope of functionality you'll find in XAP.

To begin, please click on the following link to create an account in XAP:

Once an account has been created, one of our staff will tick the enrolment box for you to complete the enrolment form online.

Note that we need to have a completed enrolment to be able to take on bookings.

If you can upload your child's immunisation history statement along with other medical plans (where applicable such as anaphylaxis, any allergic reactions and asthma).

We also need 2 nominees to be entered in the system.

If you have any queries, you can email us on [oshc.liwara@cewa.edu.au](mailto:oshc.liwara@cewa.edu.au) or phone us on 0477-994-123.
