YOUTH GROUP GOAL

For the youth to learn about the Parable of the 10 Bridesmaids and the importance of it, both in Jesus' time as well as how it relates to us now.

GOAL STATUS

This was achieved through the talk from one of the members of our leadership team, who explained the importance of this parable to the youth and linked it back to how it is still applicable in our lives.

YOUTH GROUP TALK / FOCUS

The Parable of the 10 Bridesmaids- Jaxen

Three key points:

- Jesus tells the story to show that we should always be prepared in our faith and taking it seriously, and it is not something that we can save for later, as we do not know when Jesus' will come again or when we will be called back to him.
- We should be like the wise bridesmaids, who were ready and prepared for the groom's coming, which means we should be frequenting the sacraments, going to mass often and living a true Christian life at all times.
- We should always be ready and prepared not out of fear of God or fear that we may miss him, but rather out of love and the desire of wanting to be with Jesus and God in heaven.
